The annual maintenance charge shall be established by the Board in an amount per lot for the year. The amount may be adjusted by the Board of Directors of the Association as the needs of the property may, in the judgment of its Board of Directors, require subject to the following provisions:

The dues can be raised to meet the projected financial obligations of the North Hills Estates Association. The annual maintenance dues may be raised a maximum of \$10 per year per lot upon a majority vote by the elected North Hills Association Board of Directors. The majority vote can be in the form of absentee ballot, e-mail, or in person at a Board Meeting.

At least four (4) years must elapse between any maintenance fee increase that is approved by the North Hills Association Board of Directors before an additional increase may be proposed and voted upon by the Board of Directors. In the event the Board of Directors deems it necessary to increase dues prior to the expiration of the four (4) year period, the increase must be authorized by a majority vote of the members at an annual or special meeting of the membership.

Commencing in calendar year 2009, the maintenance fee will be \$50 per lot. In accordance with the preceding provision, no increase may be made, unless approved by the membership at an annual or special meeting until the year 2013.

The maintenance fund shall be used for such of the following purposes as the Board of Directors shall determine necessary and advisable: For improving, maintaining, and purchasing new equipment for Bedford and Cumberland Parks of North Hills Estates Subdivision, and entrance ways of the subdivision included within the Association; for planting trees and shrubbery and the care thereof; for collecting and disposing of garbage, ashes and rubbish in the parks or entrance ways; for removing grass or weeds in the parks and subdivision entrance ways; for constructing, purchasing, maintaining or operating any community service; for social functions within the Association confines; and for doing any other things necessary or advisable in the opinion of the Board of Directors for keeping the property neat or in good order; for expenses incident to the examination of liens and to the enforcement of building restrictions, conditions, obligations, reservations, rights, powers and charges as applicable to said subdivision; for the expenses of operating the Association, including postage, rental of meeting quarters, legal fees, purchase of public liability insurance, property damage insurance, filing and franchise fees and all other expenses necessary or incidental to the operation of a corporation.

Any expenditures for new equipment or new improvements that exceed \$1000 must be approved by a majority vote of members at an Annual or Special Meeting. Members must receive a written description and maximum cost of the proposed new equipment or new improvements at least thirty (30) days prior to the meeting. Quorum requirements of Article V Section 5 will apply.

Regular and necessary maintenance are not subject to the above limitations.

The annual maintenance charge, together with all costs and attorneys fees for establishing, recording and discharging any and all liens and related records, remaining unpaid by the homeowner, shall be a lien and encumbrance on the land. If a member is in arrears of the annual maintenance fee after March 30, a writing issued by the Treasurer of the Association shall be given to any member liable for said charges by delivery at the lot address or by first class mail to the Homeowner at the lot address setting forth the status of the charges then due on the member's account. After written notice is given, the Board of Directors may impose a cost of 1% per month of the unpaid charge(s) remaining unpaid each month or part thereof thereafter, and authorize the recording of a lien on the member's property for all charges, costs, including interest, and fees. (see Appendix lien).

The Association shall have the power and right in its own name to take and prosecute all suits, legal, equitable or otherwise, which may in the opinion of the Board of Directors, be necessary or advisable for the collection of such charges and to take such other steps as it deems expedient to impose and enforce any authorized and recorded lien upon a member's lot/property.

Section 3. Special Assessments: Special assessments may be proposed by the Board of Directors for the purposes of activities within the general powers of the Association, but not within the specific purpose, for which the maintenance fund may be used.

(b) Title to the parks shall be vested in the Association hereinafter described as Trustee for the benefit of the lot owners and subject to the right and easement of use for park purposes by the lot owners. Such easement shall not be personal but shall be considered to be appurtenant to said lots, which easement shall pass with the title to said lots whether specifically set forth in deeds to the lots or not.

(c) There is hereby established the North Hills Estates Association (hereinafter referred to as the “Association”), an association to consist of the owners of lots in North Hills Estates Subdivision of the North one-half (½) section of Section Thirty-four (34), City of Novi, Oakland County, Michigan. Such Association shall be incorporated prior to the sale of any lots in North Hills Estates Subdivision but in any event, within ninety (90) days following the recording of the final plat of North Hills Estates Subdivision. The Association shall be responsible for the proper maintenance and payment of taxes for the parks and Retention Basin and for compliance with this agreement. The By-Laws of the Association shall provide for a Board of Directors of not less than five (5) members nor more than seven (7) ~~fifteen (15)~~ members, provided that such Board of Directors may be appointed by the Developer until such time that seventy-five (75%) percent of the residential lots in said North Hills Association Subdivision shall have been sold by the Developer; and provided further, thirty (30%) percent of the members of the said Board of Directors shall be owners of lots in said subdivision other than the grantor-developer. Said maintenance by the City shall not constitute a taking of the parks or its land, nor vest in the public any right to the use of the same. At such time that the City should determine that the Association will resume the maintenance of the park and Retention Basin in a reasonable condition, the City may cease to maintain the same. The cost of such maintenance by the City shall be charged on a prorate basis against the properties within the North Hills Estates Subdivision and shall become a lien on said properties.

A certificate in writing issued by the North Hills Estates Association, or its agent shall be given on demand to any owner liable for said charges, which certificate shall set forth the detailed status of such charges.
