ARTICLE V

COVENANTS FOR MAINTENANCE AND CAPITAL CHARGES

Section 5.01 Creation of the Lien and Personal Obligation for Assessments. Each Owner of a Lot other than Developer, by accepting title to such Lot or, by entering into a land contract for the purchase of such Lot, shall be deemed to covenant and agree to pay to the Association, when due, the assessments described below, regardless of whether or not such covenant shall be expressed in such Owner's instrument of conveyance or land contract:

- (a) annual assessments to meet regular Association expenses, which shall include such assessments required to maintain any easement referenced in Section 6.28 of this Declaration; and
- (b) special assessments for capital improvements, to be established and collected as set forth below; and
- (c) special assessments against Lots and Owners for the maintenance of Owners' Lots, to be established and collected as set forth in Section 5.05(b) below; and
- (d) all other assessments for taxes, levies, assessments or other charges lawfully imposed or charged to the Association with respect to the Common Areas.

The foregoing assessments, together with such interest thereon and costs of collection thereof (including court costs and reasonable attorneys' fees) which are described below, shall be a lien on the Lot against which they are made and all improvements thereon. Each such assessment, together with interest thereon, and the costs of collection thereof, in addition to constituting a lien on such Lot and improvements, shall also constitute a joint and several personal obligation of the person or persons who was/were the Owner(s) of the Lot on the date the assessment was established.

Section 5.02 Purpose of Annual Assessments. The annual assessments levied under this Article V and the working capital funds required under Section 5.03(c), shall be used by the Association for the purpose of: (i) promoting the recreation, health, welfare and safety of the residents of the Subdivision; (ii) preserving, improving, landscaping and maintaining the Common Areas; (iii) maintaining the Parks; (iv) providing services and facilities for the benefit of residents of the Subdivision; (v) maintaining, beautifying and improving the streets, parkways, rights-of-way, entranceways, sidewalks, walkways, bicycle paths, and other common improvements within the Subdivision; and (vi) discharging any taxes, insurance premiums and mortgage installments relating to the Parks and other Common Areas.

Section 5.03 Annual Assessments. Commencing in the year the Association is formed, and for each fiscal year of the Association thereafter, annual assessments shall be levied and paid in the following manner:

- (a) The Board of Directors of the Association shall levy against each Lot an assessment, based upon the projected costs, expenses and obligations of the Association for the ensuing fiscal year, which assessment shall be a specified amount per Lot. In the event the actual costs, expenses and obligations of the Association exceed the amount projected, the Board of Directors of the Association shall have the right to levy against each Lot such additional assessments as may be necessary to defray such costs, expenses and obligations.
- (b) Within thirty (30) days following the beginning of each fiscal year of the Association, the Board of Directors shall send a written notice of assessment to each Owner stating the amount of the assessment established by the Board of Directors for the ensuing year. Any annual assessment may not be increased by an amount in excess of twenty-five (25%) percent of the annual assessment for the preceding year without the affirmative vote of sixty (60%) percent of the total combined Class A and Class B votes, cast in person or by proxy at a meeting of Association Members called for such purpose. The quorum requirements for such meeting shall be the same as those specified in Section 5.04 below. Each Owner shall pay said assessment within thirty (30) days from the date said written statement is mailed. Assessments not paid within said thirty (30) day period shall be deemed delinquent and interest shall accrue on delinquent assessments at the interest rate established by resolution of the Association's Board of Directors, which interest rate shall not exceed the highest rate allowed by law.
- (c) Any Owner who acquires a Lot from Developer or from a person or entity exempt from the payment of assessments under Section 5.07 below, shall pay to the Association, on the date said

Lot is conveyed to the Owner, an amount equal to the prorated balance of any annual assessment and special assessment, if any, established for the then current assessment period, based upon the number of days remaining in the then current assessment period from the date of conveyance. For each fiscal year thereafter, such Owner shall be liable for any and all assessments levied in accordance with this Article V.

- (d) The fiscal year of the Association shall be established in the manner set forth in the Association's By-Laws.
- (e) The Association's Board of Directors, in its discretion, may establish an installment program for the payment of any regular, special or deficit assessment and may charge interest in connection therewith.

Section 5.04 Special Assessments for Capital Improvements. In addition to the annual assessments authorized by Section 5.03 above, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any improvements on the Common Areas, including any fixtures, equipment and other personal property relating thereto; provided, however, that no such special assessment shall be levied unless first approved by sixty (60%) percent of the total combined Class A and Class B votes, cast in person or by proxy at a meeting of the Association Members duly called for such purpose. Written notice of such meeting shall be sent to all Members at least thirty (30) days in advance of the meeting, which notice shall set forth the purpose or' the meeting. Any such special assessments shall be due and payable according to the terms and conditions and in the manner specified in the resolution of the Association. Any special assessment not paid when due shall be deemed delinquent and interest shall accrue on such delinquent assessment at the interest rate established by resolution of the Association's Board of Directors, which interest rate shall not exceed the highest rate allowed by law.

The quorum required for the first meeting called for the purpose of voting on a special assessment shall be at least ninety (90) percent of all the then authorized votes present, either in person or by proxy. If the required quorum is not present at the first meeting called for the purpose of considering the special assessment, another meeting may be called for said purpose, with notice thereof to be given as provided for in this Section 5.04 and the required quorum at any such subsequent meeting shall be reduced to sixty (60%) percent of all then authorized votes present, provided that such second meeting is held within sixty (60) days from the date of the first meeting.

Section 5.05 Uniform Assessment Rate; Assessments Against Specific Properties.

- (a) Subject to Section 5.05(b) below, all annual, special and deficit assessments of the Association shall be fixed and established at the same rate for all Lots within the Subdivision.
- (b) In addition to the assessments otherwise authorized in this Article V, the Association, following written request from Developer or the Association, may levy a special assessment against one or more specific Lots, for the purpose of maintaining and caring for the surface thereof and any plantings, landscaping or other vegetation located thereon. A special assessment for such purposes shall not be levied except in compliance with the following procedures:
 - (i) The Developer or the Association shall determine that the appearance of a Lot, or a portion thereof, significantly detracts from the appearance and attractiveness of the remainder of the Property or otherwise constitutes a violation of the restrictions set forth in Article VI hereinbelow.
 - (ii) Written notice of such determination which specifies the nature of the unsatisfactory condition and the actions required to remedy the unsatisfactory condition, shall be delivered to the Lot Owner of the offending Lot.

- (iii) The Lot Owner shall have a period of not less than thirty (30) days from the date said Lot Owner receives the above referenced notice to commence the required work.
- (iv) If the Lot Owner has not commenced the required work within said thirty (30) day period or, if having commenced such work, it is not completed within a reasonable time after commencement, the Association shall have the right to enter upon the Lot Owner's property, complete the required work and assess the cost against such Lot; provided, however, such cost shall not exceed the reasonable cost for performing such work.
- (v) Any assessment levied under this Section 5.05(b) shall be due and payable thirty (30) days from the date the Lot Owner receives a statement. Any such assessment not paid when due shall be deemed delinquent and interest shall accrue on such delinquent assessment at the interest rate established by the Association's Board of Directors, which interest rate shall not exceed the highest rate allowed by law.

Section 5.06 Certificate with Respect to Assessments. Upon the written request of any Owner, the Association shall furnish, within a reasonable time, a written certificate regarding title status of any assessments levied against such Owner's Lot(s). Any such certificate, when properly issued by the Association, shall be conclusive and binding with regard to the status of the assessment as between the Association and any bona fide purchaser of said Lot(s) described in the certificate and the lender who has taken a lien on said property as security for the repayment of a loan.

Section 5.07 Exemptions from Assessments.

- (a) All Lots owned by Developer shall be exempt from all regular, special and deficiency assessments. Upon conveyance of any Lot by Developer or by a person or entity exempt from the payment of assessments under Section 5.07 (b) below, to a Class A Member, the exemption for each such Lot shall thereupon cease and such Lot shall then be liable for the prorated balance of that year's established annual assessment and special assessment, if any. Notwithstanding the foregoing, however, any Lots owned by Developer shall not be exempt from assessments by the Township for real property taxes and other charges.
- (b) Builders, developers and real estate companies who own or hold any Lot(s) for resale to customers in the ordinary course of business shall not be liable for the payment of any regular, special or deficit assessments imposed by the terms of this Article V; provided, however, that any exemption established by this Section 5.07(b) shall cease and terminate as to any Lot in the event construction is not commenced within two (2) years from the date the Lot is acquired by such builder, developer or real estate company.

Section 5.08 Subordination of Liens to Mortgages. The lien for assessments provided for in this Article V shall be subordinate to the lien of any mortgage or mortgages held by any bank, savings and loan association, insurance company, mortgage company or other similar institution existing of record at the time the lien for assessments shall be imposed. Sale or transfer of a Lot, or any portion thereof, shall not affect the assessment lien. However, the sale or transfer of any Lot in connection with a mortgage foreclosure proceeding, or any proceeding in lieu thereof, shall extinguish the lien of the assessments, interest and charges, which became due prior to such sale or transfer, but in no such event shall the prior Owner of said Lot be relieved of any liability for such obligations and debts. No sale or transfer pursuant to any foreclosure proceeding, or any proceeding in lieu thereof, shall relieve any Lot from any assessments thereafter levied or from the lien accruing from such assessments, and no subsequent sale or transfer shall release such Lot from liability for any assessment, interest or charges which thereafter become due or from any lien therefor.

Section 5.09 Collection of Assessment and Creation of Lien. If any assessment is not paid within thirty (30) days from the date payment is due, the Association may sue the Owner and obtain a personal judgment against said Owner and/or may enforce the lien in the same manner as, and by following similar procedures which are required for, the foreclosure of mortgages, whether by advertisement or judicial action, including the allowance of such costs and reasonable attorneys' fees as would be taxable in the foreclosure of a mortgage. In addition, the Association shall have the right to suspend the voting rights of any Member for any period during which any assessment against such Member's Lot is delinquent.

Section 5.10 Action by the Township. In the event the Association fails at any time to maintain the Common Areas in reasonable order and condition, the Township may serve written notice upon the Association, setting forth the manner in which the Association has failed to maintain the Common Areas in reasonable order and condition, and such notice shall include a demand that deficiencies of maintenance be cured within thirty (30) days of the notice. The Association may, within fourteen (14) days from the date of the notice, request a hearing to appeal the Township's determination, before the board authorized by the Township Board to hear such appeals. In the event the Association request such a hearing, a hearing shall be held within a reasonable time after receipt of the Association's request. At such hearing, the terms of the original notice may be affirmed, modified or reversed. If the deficiencies set forth in the original notice, or any modification thereof, are not cured within such thirty (30) day period or any extension thereof, the Township, in order to prevent the applicable areas from becoming a nuisance, may enter upon the Common Areas and perform the required maintenance to cure the deficiencies. The Township's cost to perform any such maintenance, including an administration fee of twenty five (25%) percent of the Township's costs, shall be assessed equally against each Lot and collected in the same manner as general property taxes.

ARTICLE VI

Any building damaged or destroyed by any cause, for which repair or reconstruction has not commenced within six (6) months from the date of damage or destruction, shall be removed so that there are no ruins or debris remaining the six (6) months from the date of damage or destruction. Any building which is not completed within two (2) years from commencement of construction or any damage or destruction not promptly remedied shall be deemed a nuisance and may be abated as provided by law. Any and all property within any

In addition, no fence, wall, structure, planting or obstruction shall be erected, established or maintained on any corner within a triangular area formed by the street lines and a connecting line which is at a point twenty-five (25) feet from the intersection of such street lines, which shall have a height that is more than two (2) feet; provided, however, shade trees with wide branches which are at least eight (8) feet above ground shall be permitted within such area. In no event shall chain link fences be permitted on any Lot.

Section 6.19 Landscaping and Grass Cutting. When weeds or grass located on any Lot exceed six (6) inches in height, the Lot Owner shall mow or cut said weeds and grass over the entire Lot except in wooded areas, and Wetlands. If said Lot Owner fails to mow or cut weeds or grass within ten (10) days after being notified in writing, the Developer or the Association may perform such work and the cost thereof shall become a lien upon the Lot(s) involved until paid. All Lots owned by Developer or a builder who owns Lots for resale in the ordinary course of business shall be exempt from the foregoing restrictions contained in this Section 6.19. Section 6.23 Signs; Illumination. No signs of any kind shall be placed upon any Lot or on any building or structure located on a Lot, or any portion thereof, unless the plans and specifications showing the design, size, materials, message and proposed location(s) have been submitted to, and approved in writing by, Developer, with the exception of: (i) non-illuminated signs which are not more than four (4) square feet in area pertaining only to the sale of the premises upon which it is maintained; and (ii) non-illuminated signs which are not more than four (4) square feet in area pertaining only to a garage sale conducted on the premises, which garage sale and sign placement shall not exceed three (3) days. The foregoing restrictions contained in this Section 6.23 shall not apply to such signs as may be installed or erected on any Lot by Developer or any builder who owns Lots for resale in the ordinary course of business, during any construction period or during such periods as any residence may be used as a model or for display purposes.

No exterior illumination of any kind shall be placed or allowed on any portion of a Lot other than on a residential dwelling, unless first approved by Developer. The stockpiling and storage of building and landscape materials and/or equipment shall not be permitted on any Lot, except such materials and/or equipment as may be used within a reasonable length of time. Section 6.26 Real Estate Sales Office. Notwithstanding anything to the contrary contained in this Declaration, Developer, and/or any builder which Developer may designate, may construct and maintain on any Lot(s) a real estate sales office, with such promotional signs as Developer or said builder may determine and/or a model home or homes for such purposes; Developer and any such designated builder may continue such activity until such time as all of the Lots in which Developer and such builder have an interest are sold.

Section 6.27 Wetlands. No Wetlands shall be modified in any manner by any person or entity other than Developer or its authorized representatives unless a permit for such modification has been issued by the Township, if required by the Township's ordinances, and any other governmental unit or agency having jurisdiction over the Wetlands within the Property.

Section 6.28 Easements. Easements for the construction, installation, maintenance and replacement of public utilities, Storm Water Drainage Facilities, sanitary sewer, storm sewer, water supply facilities, sidewalks, bicycle paths and ingress and egress are indicated on the recorded plats for the Subdivision. No structure, landscaping or other materials shall be placed or permitted to remain within any of the foregoing easements which may damage or interfere with the installation or maintenance of the aforesaid utilities or which may change, obstruct or retard the flow or direction of water in, on or through any drainage channels, if any, in such easements, nor shall any change be made by any Owner in the finished grade of any Lot once established by the builder of any residential dwelling thereon, without the prior written consent of Developer. Developer and its successors and assigns shall have access over each Lot for the maintenance of all improvements in, on, over and/or under any easement which burdens such Lot, without charge or liability for damages. Except as may otherwise be provided in this Declaration, the Storm Drainage System Maintenance Agreement or in any maintenance agreement made between Developer and any municipal or governmental authority, each Owner shall maintain the service area of all easements within his Lot, keep grass and weeds cut, keep the area free of trash and debris and take such actions as may be necessary to eliminate or minimize surface erosion. Each Owner shall be liable for any damage to any improvements which are located in, on, over and/or under the subject easement, including, but not limited to, damage to electric, gas, telephone and other utility and communication distribution lines and facilities, which damage arises as a consequence of any act or omission of the Owner, his agents, contractors, invitees and/or licensees.

Section 6.29 Reciprocal Negative Easements. Unless otherwise expressly provided for in this Declaration, no mutual or reciprocal negative easements shall be deemed to arise or be created hereunder with respect to any land situated outside the boundaries of the Property.

ARTICLE VII **ARCHITECTURAL CONTROLS FOR LOTS**

The provisions contained in this Article VII shall apply exclusively to the Lots located in the Subdivisions, and shall not apply to any Condominium Units located in the Condominium Subdivisions.

Section 7.01 Architectural Controls. It is understood and agreed that the purpose of architectural controls is to promote an attractive, harmonious residential development having continuing appeal. Accordingly, unless and until the construction plans and specification are submitted to, and approved in writing by, Developer in accordance with the provisions of Section 7.02 below, (i) no building, fence, wall or other structure shall be commenced, erected or maintained on any Lot, and (ii) no addition, change or alteration on any Lot shall be made, except for interior alterations to a dwelling.

Section 7.02 Submission of Plans. All plans, specifications and other related materials with respect to a Lot shall be filed in the office of Developer, or with any agent specified by Developer, for approval or disapproval. Said construction plans and specifications shall show the nature, kind, shape, height, materials (including samples of exterior building materials upon request), approximate cost of such building or other structure, proposed drainage of surface water, location and grade of all buildings, structures and improvements, as well as utilities and parking areas for the subject Lot. Developer shall have sole authority to review, approve or disapprove the plans or specifications and/or any part thereof. Developer shall have the right to refuse to approve any plans or specifications or grading plans, or portions thereof, which are not suitable or desirable in the sole discretion of Developer, for aesthetic or other reasons. In considering such plans and specifications, Developer shall have the right to take into consideration compatibility of the proposed building or other structures with the surroundings and the effect of the building or other structure on the view from adjacent or neighboring properties. It is desired that the natural landscape and trees be left in their natural state as much as possible or practical.

A report in writing setting forth the decision of Developer, and the reasons therefor, shall be furnished to the applicant by Developer within thirty (30) days from the date of filing of complete plans, specifications and other materials by the applicant. Developer will aid and cooperate with prospective builders and Lot Owners and make suggestions based upon its review of preliminary sketches. Prospective builders and Lot Owners are encouraged to submit preliminary sketches for informal comment prior to the submission of architectural drawings and specifications. Failure of Developer to give written notice of its disapproval of any final architectural plans and/or specifications submitted pursuant to the requirements of this Article VIII within thirty (30) days from the date submitted shall constitute disapproval thereof. Developer shall be entitled to charge each applicant a review fee in an amount not to exceed Two Hundred Fifty and 00/100 (\$250.00) Dollars, to reimburse Developer for any actual costs incurred in connection with the review of said applicant's plans, specifications and related materials.

Neither Developer nor any person(s) or entity(ies) to which it delegates any of its rights, duties or obligations hereunder, including, without limitation, the Association and Architectural Control Committee, shall incur any liability whatsoever for approving or failing or refusing to approve all or any part of any submitted plans and/or specifications. Developer hereby reserves the right to enter into agreements with the grantee (or vendee) of any Lot(s) (without the consent of grantees or vendees of other Lots, or adjoining or adjacent property) to deviate from any or all of the restrictions set forth in this Declaration, provided that said grantee or vendee demonstrates that the application of the particular restriction(s) in question would create practical difficulties or hardships for said grantee or vendee. Any such deviation shall be evidenced by a written agreement and no such deviation or agreement shall constitute a waiver of any such restriction as to any other Lot or Owner.

Section 7.03 Architectural Control Committee. At such time as the fee simple interest in ninety-five (95%) percent of the Lots in the Subdivisions have been conveyed by Developer, or, at such earlier time as Developer may elect, Developer shall delegate and assign all of its rights, duties and obligations as set forth in Article VI, to a Committee representing the Owners, provided that such assignment shall be accomplished by a written instrument wherein the assignee expressly accepts such powers and rights. Such instrument, when executed by the assignee shall, without further act, release Developer from the obligations and duties in connection therewith. If such assignment or delegation is made, the acts and decisions of the assignee or delegatee as to any matters herein set forth shall be binding upon all interested parties. All members of the Architectural Control Committee shall be Owners. If Developer assigns its rights and obligations under Article VI to an Architectural Control Committee, said Committee shall consist of no less than three (3) Owners and no more than five (5) Owners, to be appointed by Developer. Developer may transfer his right to appoint members of the Architectural Control Committee to the Owners or the Association. Until such time, however, Developer reserves the right to appoint and remove members of the Committee in its sole discretion. If, at the time Developer delegates to the Architectural Control Committee Developer's rights, duties and obligations under Article VI, Developer continues to own any Lots within the Subdivision, and/or Developer has not completed the construction of any Common Area improvements that Developer has elected to construct within the Subdivision, Developer shall retain the right to approve all plans, specifications and other related materials and to otherwise exercise any rights, duties and obligations under Article VI, with respect to such Lots and Common Area improvements.

ARTICLE VIII
GENERAL PROVISIONS

Section 8.01 Amendment. The covenants, conditions, restrictions and agreements of this Declaration after a final plat or master deed for any portion of the Subdivision has been recorded, may be amended by Developer, without the consent of any other Owner or any other person or entity whatsoever (whether or not any such person or entity shall now or hereafter have any interest in any Lot, or other portion of the Property, including mortgagees and others), at any time prior to the sale of the first Lot in the Subdivision, subject to the approval of the Township if such approval is required. In addition, provided that Developer has an ownership interest in all, or any part, of the Property, Developer, without the consent of any other Owner or any other person or entity whatsoever (whether or not any such person or entity shall now or hereafter have an interest in any Lot, or other portion of the Property, including mortgagees and others), may amend this Declaration as may be necessary or required to comply with the requirements of any federal, state, county or local statute, ordinance, rule, regulation or formal requirement relating to the Property or any part thereof.

In addition, Developer, without the consent of any other Owner or any other person or entity whatsoever may, at any time, amend this Declaration to add additional land to the Property and/or to add additional phases to the Subdivision, in which event the covenants, conditions, restrictions and agreements of this Declaration shall apply to such additional land and/or phases and lots therein, except as may be otherwise specified in the amendment required by Developer.

In addition to the foregoing, at any time following the date on which a Lot has been sold and conveyed by Developer, the covenants, conditions, restrictions and agreements of this Declaration, may be amended by a written instrument signed by: (i) the Owners of seventy-five (75%) percent of the total Lots within the Subdivision; and (ii) Developer, in the event Developer then continues to own any Lots, or any other portion of the Property. Notwithstanding the foregoing, any and all such amendments shall be subject to the approval of the Township if such approval is required.

Section 8.02 Term. The covenants, conditions, restrictions and agreements of this Declaration shall continue in full force and effect and shall run with and bind the land for a period of twenty (20) years from the date this Declaration is recorded and shall thereafter automatically be extended for successive periods of ten (10) years each, unless terminated by written instrument executed by (i) the Owners of not less than seventy-five (75%) percent of the total Lots in the Subdivision and (ii) Developer, in the event Developer then continues to own any Lots, or any other portion of the Property.

Section 8.03 Enforcement. Developer, the Association and any Owner shall have the right to enforce, by proceedings at law or in equity, all covenants, conditions, restrictions, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by Developer, the Association or any Owner to enforce any covenants or restrictions herein contained shall in no event be deemed a waiver thereof or a waiver of any right to enforce the same at any time thereafter.

Section 8.04 Insurance Proceeds. All proceeds of any insurance maintained with respect to any assets of the Association, and the Common Areas (if said Common Areas have been conveyed to the Association), and all proceeds of any condemnation proceedings or sales in lieu of condemnation relating to the assets of the Association or the Common Areas (if said Common Areas have been conveyed to the Association) shall be paid to the Association and shall be the property of the Association and not of its Members or any other persons or entities.

Section 8.05 Severability. The invalidation of any one or more of the covenants, conditions, restrictions and agreements of this Declaration by judgment or Court order, shall in no way affect the validity of any of the other provisions of this Declaration, and the same shall remain in full force and effect.

Section 8.06 Notices Each Owner shall file the correct mailing address of such Owner *with Developer* and shall promptly notify Developer in writing of any subsequent change of address. Developer shall maintain a file of
