Each Annual Assessment and Special Assessment will also be the personal obligation of the Owner of such Lot.

### ARTICLE III

#### MEMBERSHIP

Section 1. Definition of Membership. All owners of lots in Camden Park Subdivision shall be members of the Association.

Section 2. Definition of Lot and Unit. The word "lot" as used herein shall mean a lot as set forth in the recorded plat of Camden Park Subdivision. If property has been attached or detached from any lot, then the enlarged lots and/or the diminished lots shall be deemed to be a "lot" provided, further two (2) or more lots which are combined into a single home site shall be deemed to be one (1) "Lot" for the purpose of computing voting rights and liability for maintenance charges hereunder.

Section 3. Land Contract Vendees. Where any of said lots have been sold on executory land contracts, the land contract vendees thereof shall be considered to be the owners of such lots and, thus, a member of the Association.

Section 4. Voting Rights of Membership. The Association shall have one (1) class of voting membership. Each member shall be entitled to one (1) vote for each lot in which they hold the interest required for membership. When more than one person holds any such interest in a lot, all such persons shall be members. The one (1) vote for such lot shall be exercised as they, among themselves, determine. Notwithstanding the foregoing, the Developer shall be entitled to three (3) votes for each lot in which it holds the interest required for membership, in order to assure early initial development of Camden Park Subdivision.

### ARTICLE IV.

#### FINANCES

Section 1. Assessment Charge. Each member of the Association shall pay to the Association an annual assessment charge which shall become due and payable annually on the 1st day of January in each year, commencing with the January following the issuance of a Certificate of Occupancy on the first dwelling unit.

All of the owners of residential lots in the development shall be subject to an annual assessment charge to be paid by the respective owners of the lots, to the Association, annually, in advance, on the first day of January in each year. The amount of said annual assessment charge is established at a minimum of ONE HUNDRED DOLLARS (\$100.00) per lot, and said annual charge may be

adjusted from year to year by the Camden Park Property Owners Association, as the needs of the common areas may, in their judgment, require, but in no event shall the annual charge be more than TWO HUNDRED DOLLARS (\$200.00) per lot, except by the approval and consent in writing of FIFTY-ONE PER CENT (51%) of the members of Camden Park Property Owners Association, which approval and consent shall make any such assessment binding upon all of the owners of lots in said Camden Park Subdivision. The Board of Directors of the Association may permit the annual assessment charge to be paid in installments payable either semi-annually, quarterly or monthly.

The annual assessment fund shall be used for such of the following purposes as the Association shall determine necessary and advisable: For improving and maintaining the common areas and other property of the Association, entrances and cul-de-sac in the development; landscaping along Lot Road; for planting trees and shrubbery and the care thereof; for purchase of insurance; and for doing any other thing necessary or advisable in the opinion of the Association for the general welfare of the members; for expenses incidental to the examination of plans and the enforcement of these restrictions or any other building restrictions applicable to said property; or for any other purpose within the purposes of which the Association is incorporated.

All assessment charges which shall remain due and unpaid thirty (30) days after the date that they are due, shall thereafter be subject to a late charge as determined by the Board of Directors.

It is expressly understood and agreed that the annual assessment charge, shall become a lien and encumbrance on the lot with respect to which said charge is made, and it is expressly agreed that by the acceptance of title to any said lot, the owner, from time of acquiring title thereto, shall be held to have covenanted and agreed to pay the Association all charges provided for herein which were then due and unpaid at the time of his acquiring the title, and all such charges thereafter falling due during his ownership thereof. A certificate in writing issued by the Association or its agent shall be given on demand to any owner or prospective purchaser liable or who may be liable for said charges, which shall set forth the status of said charges.

The lien provided for herein shall be subordinate to the lien of any mortgage or mortgages. Sale or transfer of any lot shall not affect the assessment lien.

By his acceptance of title, each owner shall be held to vest in the Association the right and power in its own name to take and prosecute all suits, legal, equitable or otherwise, which may, in the opinion of the Association, be necessary or advisable for the collection of such charge or charges.

Section 2. Failure to Pay Annual Assessment Charges. Any member who shall be thirty (30) days or more in default in the payment of the annual assessment charges shall not be in good standing and shall not be entitled to vote in any matters of the Association or to hold office in the Association until all such delinquencies have been paid.

F. The Storm Drainage Facilities will be installed by and at the expense of the Developer in accordance with plans and specifications (the "Plans") approved by the Township and the Wayne County Department of Public Services ("Wayne County") and under the inspection of the Township and Wayne County.

G. As a condition of approval of the Plat, Wayne county will require the execution of a Maintenance Agreement between the Township and Wayne County (the "Maintenance Jurisdiction Permit") pursuant to the terms of which the Township would assume responsibility for the maintenance of, and the principal jurisdiction over, the Storm Drainage Facilities.

H. The Developer has asked the Township to execute the Maintenance Agreement and, in pursuance thereof, to accept the easement from the Developer pertaining to the Storm Drainage Facilities (the "Easement") in the form of Exhibit D attached hereto or in accordance with Easement depicted on plat associated with this project.

I. The Township is willing to accept the Easement and to execute the Maintenance Jurisdiction Permit upon the terms and conditions set forth in this Agreement, including, without limitation, the understanding that, notwithstanding the acceptance of the Easement and the execution of the Maintenance Jurisdiction Permit by the Township, the Association (and not the Township) will be solely and permanently responsible for (i) the operation, maintenance, repair and replacement of the Storm Drainage Facilities; and (ii) the payment of all cost and expenses in regard to the maintenance, operation, improvement, repair and replacement of the Drainage Facilities.

NOW THEREFORE, in consideration of the mutual covenants, undertakings and understandings set forth herein, IT IS HEREBY AGREED AS FOLLOWS:

1. The Township shall accept the Easement and execute the Maintenance Jurisdiction Permit as soon as practicable following the execution of this Agreement.
2. The Storm Drainage Facilities shall be installed by, and at the expense of the Developer, as soon as practicable following the execution of this Agreement and final approval of the improvement to the subdivision in accordance with the Plans and under the inspection of the Township and Wayne County.

RE-RECORD

3. The Developer shall (a) file the Articles of Incorporation with the Michigan Department of Commerce; and (b) cause the Association to be appropriately organized as soon as practicable following the execution of this Agreement.

4. Concurrently with the recording of the Plat of the Subdivision, the Developer shall record the Declaration in the Wayne County Records.

5. After all of the Lots in the Subdivision have been sold to persons other than builders (as defined in the Declaration), the Developer shall convey the common areas of the Subdivision to the Association for the common use, benefit and enjoyment of the Owners, subject to the Easement and the Declaration, including, without limitation, the covenants in the Declaration committing the Association to (i) the perpetual maintenance, operation, repair and replacement of the Storm Drainage Facilities to at least the minimum extent required by the Maintenance Jurisdiction Permit; (ii) the payment of all costs and expenses in connection with the maintenance, operation, improvement, repair and replacement of the Storm Drainage Facilities; and (iii) the duty to levy appropriate and sufficient assessments (both annual and special) to defray such costs and expenses.

6. If the Developer or the Association fail to maintain, repair or replace the Storm Drainage Facilities as required by the Declaration or in accordance with the Township's minimum standards, then the Township shall have the right, but not the duty, after ten (10) days written notice to the Developer and Association, to perform the maintenance, repair and replacement. The cost of any such maintenance, repair and replacement shall be billed to the Association and, if not paid within thirty (30) days of billing, may be assessed against the Owners in equal amounts in the same manner as property taxes are assessed and collected.

7. The Developer and the Association, its agents, representatives, successors and assigns shall defend, indemnify and hold the Township harmless from and against any claims, demands, actions, damages, injuries, costs or expenses of any nature whatsoever hereinafter "claimed," fixed or contingent, known or unknown, arising out of or in any way connected with the design, construction, use, maintenance, repair or operation (or omissions in such regard) of the Storm Drainage Facility, appurtenances, connections and attachments thereto which are the subject of this Agreement. This indemnity and hold harmless shall include any costs, expenses and attorney fees incurred by the Township in connection with such claims or the enforcement of this Agreement.

RE-RECORD

8. The Association shall maintain liability insurance in the sufficient amounts for the purpose of protecting itself as well as the Owners, the Developer and the Township from the burden of any liability resulting from accidents which may cause death or injury to anyone or damage to property while in the common areas of the Subdivision, including the Storm Drainage Facilities. Any liability insurance shall name the Owners, the Developer, Builders and the Township of Canton as additional insureds. The Township shall be insured in an amount which is acceptable to it. Proof of insurance shall be provided to the Township on an annual basis.

9. The Agreement of the Township to approve the Subdivision shall benefit the land and all of the covenants and obligations of Developer shall be deemed to run with the land and be binding on all current and future owners thereof, and this Agreement shall be recorded at Developer's expense with the Wayne County Register of Deeds.

IN WITNESS WHEREOF, the Township and Developer have made and executed this Agreement as of the date first set forth above.

Each house shall be designed and erected for occupation by a single private family. A private attached garage for the sole use of the occupants of the lot upon which the garage is erected must also be erected and maintained. Lessees of any lot shall be subject to the terms and conditions of this Declaration, the By-Laws and all rules and regulations promulgated pursuant to this Declaration and the By-Laws of the Association, all of which shall be incorporated into the lease of any lot by reference, and any violation of the same by a lessee shall be deemed to be a violation by the lessor-Grantee and subject that Grantee to the same penalties and sanctions as if the Grantee himself violated the Declaration, By-Laws or any rules and regulations of the Association.

No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of the sight lines.

Section 9. TEMPORARY STRUCTURES. Trailers, shacks, barns or any temporary buildings of any description whatsoever are expressly prohibited and no temporary occupancy shall be permitted in unfinished buildings. Tents for entertainment or recreational purposes are permitted for periods not to exceed forty-eight (48) hours. Section 12. LEASE RESTRICTIONS. No Grantee shall lease and/or sublet less than the whole of any dwelling on said lot. No lease shall be for a period less than one (1) year.

Section 13. EXTERIOR SURFACE OF DWELLINGS. The visible

exterior walls of all dwelling structures shall be made of wood, brick, brick veneer, cut stone, or of any combination thereof. Fieldstone, ledge rock or stucco may also be used, so long as any of these materials alone, or in combination, do not exceed fifty per cent (50%) of the total of all visible exterior walls. The Committee may grant such exceptions to this restriction as it deems suitable. The use of aluminum, asphalt, cement block, cinder, slag, plywood (unless finished in an approved imitation stucco or similar appearance), or imitation brick is prohibited. Windows and doors made of unpainted aluminum or non-factory painted aluminum are prohibited. Windows and doors shall not be included in calculating the total area of visible exterior walls.

Section 14. FENCES. No fences of any kind shall be permitted to be erected, maintained or placed upon any lot or lot line without the written consent of the Committee and the Township.

As to those fences which may be approved by the Committee, no fence shall be more than forty-eight inches (48") in height. Solid or stockade type fences are specifically prohibited. Fences shall not be permitted until all construction on adjoining lots has been completed.

Section 15. SIGNS. No sign or billboard of any kind shall be placed, erected or maintained on any lot. The provisions of this paragraph shall not apply to such signs as may be installed or erected on any lot by Grantor or any builder during such period as any residence is being used as a model or for display purposes or for purposes of resale by any Grantee.

Section 16. DRIVEWAYS. All driveways, aprons and parking areas must be paved with concrete, asphalt or brick pavers in the exclusive discretion of the Committee. The Committee has the right to waive any of these requirements, at the exclusive option of the Committee. The driveways must be completed within six (6) months of occupancy.

Section 17. DESTRUCTION OF BUILDING BY FIRE, ETC. Any

debris resulting from the destruction in whole or in part of any dwelling or building on any lot shall be removed with all reasonable dispatch from such lot in order to prevent an unsightly or unsafe condition.

Section 18. LANDSCAPING. All landscaping must be installed within one (1) year after a Grantee of any Lot takes occupancy.

Section 19. LIABILITY. The Association shall maintain liability insurance in sufficient amounts for the purpose of protecting itself, as well as the Grantees, the Grantor, Builders and the Township of Canton, from the burden of any liability resulting from accidents which may cause death or injury to anyone or damage or casualty to personal property while in the Common Areas or on any property under the jurisdiction or control of the Association. Any liability insurance shall name the Grantees, the Grantors, Builders and the Township of Canton as additional insured. The Township shall be insured in an amount which is acceptable to it. Proof of insurance shall be provided to the Township on an annual basis.

ARTICLE VI.

GENERAL PROVISIONS

Section 1. ENFORCEMENT. The Grantor, the Association or any Grantee shall have the right to enforce all restrictions and charges now or hereafter imposed by the provisions of this Declaration. Failure of the Grantor, the Association or any

Grantee to enforce any covenant or restriction herein contained shall in no event be deemed an estoppel or a waiver of the right to do so thereafter.

The Grantor or the Association shall have the right to enter upon any lot for the purposes of mowing, cutting, weeding or removing any unsightly growth which in the opinion of the Grantor or the Association detracts from the overall attractiveness of the health and welfare of the subdivision. The Grantor or the Association may enter upon the lots for the purpose of removing any debris or trash from the lot. The Grantor or the Association shall be under no obligation to take such affirmative action. The Grantor or the Association shall provide the Grantee seventy-two (72) hours notice prior to entry upon any such lot, except in the event of emergency threatening health or safety, in which case no prior notice shall be necessary. Any costs incurred in such action by the Grantor or Association shall be chargeable against the Grantee and shall constitute a lien against the lot.

Section 2. SEVERABILITY. Invalidation of any one of these restrictions by judgment or court order shall not affect any other provisions, which remaining provisions shall continue in full force and effect.

Section 3. AMENDMENT. The covenants, restrictions and conditions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for an additional period of ten (10) years. The Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than sixty-seven per cent (67%) of the Grantees, and thereafter by an instrument signed by not less than fifty-one per cent (51%) of the Grantees, except that amendments made by the Grantor for the purpose of adding residential Lots and/or Common Areas to the Association and making this Declaration apply to such Lots and/or Common Areas, or amendments made for the purpose of

clarifying this Declaration or correcting typographic or semantic errors or errors of survey contained therein, shall not require the vote or signature of any Grantees, the Association or any Members thereof. No amendment may be adopted without the consent of the Grantor at any time in which it owns (1) or more Lots in the Subdivision. No provision of the Declaration which specifically applies to or grants rights to the Township of Canton may be released, changed, modified or amended without the express written consent of the Township of Canton. Any amendment must be recorded with the Wayne county Register of Deeds before the amendment becomes effective.

Section 4. ASSIGNMENT OR TRANSFER OF RIGHTS AND POWERS.

Except as expressly limited by the Declaration, the Grantor reserves the right to assign to the Association, in whole or in part, from time to time, any or all of the rights, powers, titles, easements and estates hereby reserved or given to the Grantor, including the right and power to approve or disapprove any use, act, proposed action, or any other matter or thing. Any such assignment or transfer shall be made by appropriate instrument, in writing, and such assignee shall thereupon have the same rights and powers, and be subject to the same obligations and duties as herein given, reserved to and assumed by the Grantor in connection with the rights, powers and easements so assigned, and such instrument when executed by such assignee shall, without further act, release the Grantor from all obligations, duties and liabilities in connection therewith. The Grantor shall assign or transfer all such rights and powers no later than upon sale of one hundred per cent (100%) of all lots in the subdivision to persons other than builders, except for appointment of members of the Committee, which shall be transferred to the Association in accordance with Article III, Section 1.

Section 5. APPOINTMENT OF GRANTOR AS ATTORNEY IN FACT. All Grantees, their successors and assigns hereby irrevocably appoint

the Grantor as their agent and attorney in fact for the purpose of executing any document necessary to allow Grantor to do anything which Grantor is entitled to do under the terms of this Declaration.

IN WITNESS WHEREOF, the Grantor has executed this Declaration of Restrictions on the date stated above.
