ARTICLE V

UNIT DESCRIPTION AND PERCENTAGE OF VALUE

Section 1. Description of Units. The Project contains 133 Units numbered 1 - 135, inclusive, with Units 97 and 101 intentionally deleted in the Second Amendment to Master Deed. Each Unit in the Condominium Project is described in this paragraph with reference to the Condominium Subdivision Plan of The Links of Northville Hills Golf Club Condominium as prepared by Giffels-Webster Engineers, Inc. and Barton Associates, Inc. and attached hereto as Exhibit B. The architectural plans and specifications are on file with the Township of Northville. Each Unit shall include: (1) when applicable, with respect to each Unit basement, all that space contained within the unpainted surfaces of the basement floor and walls and the uncovered underside of the

first-floor joists, and (2) with respect to the upper floors of Units, all that space contained within the interior finished unpainted walls and ceilings and from the finished subfloor, all as shown on the floor plans and sections in Exhibit B hereto and delineated with heavy outlines.

Section 2. Percentage of Value. The percentage of value assigned to each Unit shall be equal. The determination that percentages of value should be equal was made after reviewing the comparative characteristics of each Unit in the Project and concluding that there are not material differences among the Units insofar as the allocation of percentages of value is concerned. The percentage of value assigned to each Unit shall be determinative of each Co-owner's respective share of the Common Elements of the Condominium Project, the proportionate share of each respective Co-owner in the proceeds and expenses of administration and the value of such Co-owner's vote at meetings of the Association of Co-owners. The total value of the Project is 100%.

ARTICLE VI

EASEMENTS

Section 1. Easement for Maintenance of Encroachments and Utilities. In the event any portion of a Unit or Common Element encroaches upon another Unit or Common Element due to shifting, settling or moving of a building, or due to survey errors, or construction deviations, reciprocal easements shall exist for the maintenance of such encroachment for so long as such encroachment exists, and for maintenance thereof after rebuilding in the event of any destruction. There shall be easements to, through and over those portions of the land, structures, buildings, improvements and walls (including interior Unit walls) contained therein for the continuing maintenance and repair of all utilities in the Condominium. There shall exist easements of support with respect to any Unit interior wall which supports a Common Element.

Section 2. Dedication and Easement Rights.

(a) Access Roads. The Association shall have the right to dedicate to the public a right-of-way of such width as may be required by the local public authority over any or all of the roadways in The Links of Northville Hills Golf Club Condominium, shown as General Common Elements on Exhibit B. Any such right-of-way dedication may be made by the Association without the consent of any Co-owner, mortgagee or other person and shall be evidenced by an appropriate amendment to this Consolidating Master Deed and to Exhibit B hereto, recorded in the Wayne County Records. All of the Co-owners and mortgagees of Units and other persons interested or to become interested in the Project from time to time shall be deemed to have irrevocably and unanimously consented to such amendment or amendments of this Consolidating Master Deed to effectuate the foregoing right-of-way dedication.

(b) Utilities. The Association shall have the right to grant easements for utilities over, under and across the Condominium to appropriate governmental agencies or public utility companies and to transfer title of utilities to governmental agencies or to utility companies. Any such grants of easement or transfers of title may be made by the Association without the consent of any Co-owner, mortgagee or other person and shall be evidenced by an appropriate amendment to this Consolidating Master Deed and to Exhibit B hereto, recorded in the Wayne County Records. All of the Co-owners and mortgagees of Units and other persons interested or to become interested in the Project from time to time shall be deemed to have irrevocably and unanimously consented to such amendment or amendments of this Consolidating Master Deed as may be required to effectuate any of the foregoing grants of easement or transfers of title.

Section 3. Grant of Easements by Association. The Association, acting through its lawfully constituted Board of Directors shall be empowered and obligated to grant such easements, licenses, rights-of-entry and rights-of-way over, under and across the Condominium Premises for utility purposes, access purposes or other lawful purposes as may be necessary for the benefit of the Condominium.

Section 4. Easements for Maintenance, Repair and Replacement. The Association and all public or private utilities shall have such easements over, under, across and through the Condominium Premises, including all Units and Common Elements, as may be necessary to fulfill any responsibilities of maintenance, repair, decoration or replacement which they or any of them are required or permitted to perform under the Condominium Documents or by law. These easements include, without any implication of limitation, the right of the Association to obtain access during reasonable hours and upon reasonable notice to water meters, sprinkler controls and valves and other Common Elements located within any Unit or its appurtenant Limited Common Elements. It is also a matter of concern that a Co-owner may fail to properly maintain his Unit and its appurtenant Limited Common Elements in accordance with the Condominium Documents and standards established by the Association. Therefore, in the event a Co-owner fails, as required by this Consolidating Master Deed, the Bylaws or any rules and regulations promulgated by the Association, to properly and adequately maintain, decorate, repair, replace or otherwise keep his Unit or any improvements or appurtenances located therein or any Limited Common Elements appurtenant thereto, the Association shall have the right, and all necessary easements in furtherance thereof, (but not the obligation) to take whatever action or actions it deems desirable to so maintain, decorate, repair or replace the Unit, its appurtenances or any of its Limited Common Elements, all at the expense of the Co-owner of the Unit. Failure of the Association to take any such action shall not be deemed a waiver of the Association's right to take any such action at a future time. All costs incurred by the Association in performing any responsibilities which are required, in the first instance to be borne by any Co-owner, shall be assessed against such Co-owner and shall be due and payable with his monthly assessment next falling due; further, the lien for non-payment shall attach as in all cases of regular assessments and such assessments may be enforced by the use of all means available to the Association under the Condominium Documents and by law

for the collection of regular assessments including, without limitation, legal action, foreclosure of the lien securing payment and imposition of fines.

Section 5. Telecommunications Agreements. The Association, acting through its duly constituted Board of Directors, shall have the power to grant such easements, licenses and other rights of entry, use and access and to enter into any contract or agreement, including wiring agreements, right-of-way agreements, access agreements and multi-unit agreements and, to the extent allowed by law, contracts for sharing of any installation or periodic subscriber service fees as may be necessary, convenient or desirable to provide for telecommunications, videotext, broad band cable, satellite dish, fiber optic service, earth antenna and similar services (collectively "Telecommunications") to the Project or any Unit therein. Notwithstanding the foregoing, in no event shall the Board of Directors enter into any contract or agreement or grant any easement, license or right of entry or do any other act or thing which will violate any provision of any federal, state or local law or ordinance. Any and all sums paid by any Telecommunications or other company or entity in connection with such service, including fees, if any, for the privilege of installing same or sharing periodic subscriber service fees, shall be receipts affecting the administration of the Condominium Project within the meaning of the Act and shall be paid over to and shall be the property of the Association.

Section 6. Emergency Vehicle And Service Vehicle Access Easement and Fire Alarm System Easement. There shall exist for the benefit of the Township of Northville, or other emergency or public service agency or authority, an easement over all roads in the Condominium for use by the emergency and/or service vehicles of the Township or such agencies. The easement shall be for purposes of ingress and egress to provide, without limitation, fire and police protection, ambulance and rescue services, school bus and mail or package delivery, and other lawful governmental or private emergence or other reasonable and necessary services to the Condominium Project and Co-owners thereof. This grant of easement shall in no way be construed as a dedication of any streets, roads or driveways to the public. The Township of Northville's Fire Department shall also have the right and all necessary easements (but not the obligation) to take whatever action it deems desirable to maintain the fire alarm system located in the Condominium which may include, without limitation, annual inspections of the fire alarm system.

Section 7. Storm Sewer Easement. The Project benefits from a certain Storm Sewer Easement Agreement recorded in Liber 30193, Pages 5544 through 5560, Wayne County Records, as amended. ("Storm Water Easement"). The Storm Water Easement provides for off site storm water drainage. Pursuant to the terms of the Storm Water Easement, the storm drainage system located within the Storm Water Easement may be dedicated to the Wayne County Drain Commissioner or other governmental entity, but if such event does not occur, the Association shall undertake maintenance, repair and replacement obligations pursuant to the terms of the Storm Water Easement.

Section 8. Golf Club. Members and guests of the adjoining golf club shall have the right to enter the General Common Element lawn area and roads of the Condominium Premises

for the sole purpose of retrieving errant golf balls that land within the Condominium Premises. This easement does not permit members and guests of the golf club to enter or cross over any other General Common Elements, or Limited Common Elements or Units without the permission of the Co-owner of the Unit involved. Further, golf balls that enter the Condominium Premises shall not be played from within the Premises.

ARTICLE VII

AMENDMENT

This Consolidating Master Deed and the Condominium Subdivision Plan may be amended with the consent of 66-2/3% of the Co-owners, except as hereinafter set forth:

Section 1. Modification of Units or Common Elements. No Unit dimension may be modified in any material way without the consent of the Co-owner and mortgagee of such Unit nor may the nature or extent of Limited Common Elements or the responsibility for maintenance, repair or replacement thereof be modified in any material way without the written consent of the Co-owner and mortgagee of any Unit to which the same are appurtenant, except as otherwise expressly provided above to the contrary.

Section 2. By Developer. Prior to one year after recording this Consolidating Master Deed, the Developer may, without the consent of any Co-owner, the Association, or any other person, amend this Consolidating Master Deed and the Condominium Subdivision Plan attached as Exhibit B in order to depict the Condominium and its improvements in an "as-built" manner, correct survey or other errors made in such documents and to make such other amendments to such instruments and to the Bylaws attached hereto as Exhibit A as do not materially diminish any rights of any Co-owners or mortgagees in the Condominium, including, but not limited to, amendments for the purpose of facilitating conventional mortgage loan financing for existing or prospective Co-owners and to enable the purchase or insurance of such mortgage loans by the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the Government National Mortgage Association, the Veterans Administration or the Department of Housing and Urban Development, or by any other public or private mortgage insurer or any institutional participant in the secondary mortgage market.

Section 3. Mortgagee Consent. Whenever a proposed amendment would materially alter or change the rights of mortgagees generally, then such amendments shall require the approval of first mortgagees in accordance with Section 90(a) of the Act.

Section 4. Change in Percentage of Value. The value of the vote of any Co-owner and the corresponding proportion of common expenses assessed against such Co-owner shall not be modified without the written consent of such Co-owner and his mortgagee, nor shall the percentage of value assigned to any Unit be modified without like consent, except as provided in this Consolidating Master Deed or in the Bylaws.

Section 5. Termination, Vacation, Revocation or Abandonment. The Condominium Project may not be terminated, vacated, revoked or abandoned without the written consent of the Developer and 80% of non-Developer Co-owners.

THE LINKS OF NORTHVILLE HILLS GOLF CLUB CONDOMINIUM**EXHIBIT A TO THE CONSOLIDATING
MASTER DEED****BYLAWS****ARTICLE I****ASSOCIATION OF CO-OWNERS**

The Links of Northville Hills Golf Club Condominium, a residential Condominium Project located in the Township of Northville, Wayne County, Michigan, shall be administered by an Association of Co-owners which shall be a non-profit corporation, hereinafter called the "Association", organized under the applicable laws of the State of Michigan, and responsible for the management, maintenance, operation and administration of the Common Elements, easements and affairs of the Condominium Project in accordance with the Condominium Documents and the laws of the State of Michigan. These Bylaws shall constitute both the Condominium Bylaws referred to in the Consolidating Master Deed and required by Section 3(8) of the Act and the Association Bylaws provided for under the Michigan Nonprofit Corporation Act. Each Co-owner shall be entitled to membership and no other person or entity shall be entitled to membership. The share of a Co-owner in the funds and assets of the Association cannot be assigned, pledged or transferred in any manner except as an appurtenance to his Unit. The Association shall keep current copies of the Consolidating Master Deed, all amendments to the Consolidating Master Deed, and other Condominium Documents for the Condominium Project available at reasonable hours to Co-owners, prospective purchasers, mortgagees and prospective mortgagees of Units in the Condominium Project. All Co-owners in the Condominium Project and all persons using or entering upon or acquiring any interest in any Unit therein or the Common Elements thereof shall be subject to the provisions and terms set forth in the aforesaid Condominium Documents.

ARTICLE II**ASSESSMENTS**

All expenses arising from the management, administration and operation of the Association in pursuance of its authorizations and responsibilities as set forth in the

Condominium Documents and the Act shall be levied by the Association against the Units and the Co-owners thereof in accordance with the following provisions:

Section 1. Assessments for Common Elements. All costs incurred by the Association in satisfaction of any liability arising within, caused by, or connected with the Common Elements or the administration of the Condominium Project shall constitute expenditures affecting the administration of the Project, and all sums received as the proceeds of, or pursuant to, any policy of insurance securing the interest of the Co-owners against liabilities or losses arising within, caused by, or connected with the Common Elements or the administration of the Condominium Project shall constitute receipts affecting the administration of the Condominium Project, within the meaning of Section 54(4) of the Act.

Section 2. Determination of Assessments. Assessments shall be determined in accordance with the following provisions:

(a) Budget. The Board of Directors of the Association shall establish an annual budget in advance for each fiscal year and such budget shall project all expenses for the forthcoming year which may be required for the proper operation, management and maintenance of the Condominium Project, including a reasonable allowance for contingencies and reserves. An adequate reserve fund for maintenance, repairs and replacement of those Common Elements that must be replaced on a periodic basis shall be established in the budget and must be funded by regular monthly payments as set forth in Section 3 below rather than by special assessments. At a minimum, the reserve fund shall be equal to 10% of the Association's current annual budget on a noncumulative basis. Since the minimum standard required by this subparagraph may prove to be inadequate for this particular project, the Association of Co-owners should carefully analyze the Condominium Project to determine if a greater amount should be set aside, or if additional reserve funds should be established for other purposes from time to time. Upon adoption of an annual budget by the Board of Directors, copies of the budget shall be delivered to each Co-owner and the assessment for said year shall be established based upon said budget, although the failure to deliver a copy of the budget to each Co-owner shall not affect or in any way diminish the liability of any Co-owner for any existing or future assessments. Should the Board of Directors at any time determine, in the sole discretion of the Board of Directors: (1) that the assessments levied are or may prove to be insufficient to pay the costs of operation and management of the Condominium, (2) to provide replacements of existing Common Elements, (3) to provide additions to the Common Elements not exceeding \$10,000.00 annually for the entire Condominium Project, or (4) in the event of emergencies, the Board of Directors shall have the authority to increase the general assessment or to levy such additional assessment or assessments as it shall deem to be necessary. The Board of Directors also shall have the authority, without Co-owner consent, to levy assessments pursuant to the provisions of Article V, Section 4 hereof. The discretionary authority of the Board of Directors to levy assessments pursuant to this subparagraph shall rest solely with the Board of Directors for the benefit

of the Association and the members thereof, and shall not be enforceable by any creditors of the Association or the members thereof.

(b) Special Assessments. Special assessments, in addition to those required in subparagraph (a) above, may be made by the Board of Directors from time to time and approved by the Co-owners as hereinafter provided to meet other needs or requirements of the Association, including, but not limited to: (1) assessments for additions to the Common Elements of a cost exceeding \$10,000.00 for the entire Condominium Project per year, (2) assessments to purchase a Unit upon foreclosure of the lien for assessments described in Section 6 hereof, (3) assessments to purchase a Unit for use as a resident manager's Unit, or (4) assessments for any other appropriate purpose not elsewhere herein described. Special assessments referred to in this subparagraph (b) (but not including those assessments referred to in subparagraph 2(a) above, which shall be levied in the sole discretion of the Board of Directors) shall not be levied without the prior approval of more than 60% of all Co-owners. The authority to levy assessments pursuant to this subparagraph is solely for the benefit of the Association and the members thereof and shall not be enforceable by any creditors of the Association or the members thereof.

Section 3. Apportionment of Assessments and Penalty for Default. Unless otherwise provided herein or in the Consolidating Master Deed, all assessments levied against the Co-owners to cover expenses of administration shall be equally apportioned among and paid by the Co-owners, without increase or decrease for the existence of any rights to the use of Limited Common Elements appurtenant to a Unit. Annual assessments as determined in accordance with Article II, Section 2(a) above shall be payable by Co-owners in 12 equal monthly installments, commencing with acceptance of a deed to or a land contract vendee's interest in a Unit, or with the acquisition of fee simple title to a Unit by any other means. The payment of an assessment shall be in default if such assessment, or any part thereof, is not paid to the Association in full on or before the due date for such payment. An automatic late charge not exceeding \$50 per installment per month may be added to each installment in default for five or more days until each installment together with all applicable late charges is paid in full. The Board of Directors shall also have the right to apply a discount for assessments received by the Association on or before the date on which any such assessment falls due. Each Co-owner (whether one or more persons) including a land contract vendee, shall be, and remain, personally liable for the payment of all assessments (including automatic late charges and other fines for late payment and costs of collection and enforcement of payment) pertinent to his Unit which may be levied while such Co-owner is the owner thereof, except a land contract purchaser from any Co-owner shall be so personally liable and such land contract seller shall not be personally liable for all such assessments levied up to and including the date upon which such land contract seller actually takes possession of the Unit following extinguishment of all rights of the land contract purchaser in the Unit. Payments on account of installments of assessments in default shall be applied as follows: first, to costs of collection and enforcement of payment, including reasonable attorneys' fees; second, to any interest charges and fines for late payment on such installments; and third, to

installments in default in order of their due dates. Co-owners delinquent in paying assessments shall be ineligible to serve on committees or as a Director of the Association.

Section 4. Waiver of Use or Abandonment of Unit. No Co-owner may exempt himself from liability for his contribution toward the expenses of administration or for payment of assessments to The Links of Northville Hills Golf Club Condominium by waiver of the use or enjoyment of any of the amenities or any of the Common Elements or by the abandonment of his Unit.

Section 5. Enforcement.

(a) Remedies. In addition to any other remedies available to the Association, the Association may enforce collection of delinquent assessments together with all applicable late charges, interest, fines, costs, advances paid by the Association to protect its lien, actual attorneys' fees (not limited to statutory fees) and other costs, by a suit at law for a money judgment or by foreclosure of the statutory lien that secures payment of assessments. In the event of default by any Co-owner in the payment of any installment of the annual assessment levied against his Unit, the Association shall have the right to declare all unpaid installments of the annual assessment for the pertinent fiscal year immediately due and payable. The Association also may discontinue the furnishing of any utilities or other services to a Co-owner in default upon seven days' written notice to such Co-owner of its intention to do so. A Co-owner in default shall not be entitled to utilize any of the General Common Elements of the Project and shall not be entitled to vote at any meeting of the Association so long as such default continues; provided, however, this provision shall not operate to deprive any Co-owner of ingress or egress to and from his Unit. In a judicial foreclosure action, a receiver may be appointed to collect a reasonable rental for the Unit from the Co-owner thereof or any persons claiming under him. The Association may assess additional fines for chronic late payment or non-payment of assessments in accordance with the provisions of Article VIII, Section 4 and Article XIX of these Bylaws which fines may be in addition to automatic late charges previously established. All of these remedies shall be cumulative and not alternative.

(b) Foreclosure Proceedings. Each Co-owner, and every other person who from time to time has any interest in the Project, shall be deemed to have granted to the Association the unqualified right to elect to foreclose the lien securing payment of assessments either by judicial action or by advertisement. The provisions of Michigan law pertaining to foreclosure of mortgages by judicial action and by advertisement, as the same may be amended from time to time, are incorporated herein by reference for the purposes of establishing the alternative procedures to be followed in lien foreclosure actions and the rights and obligations of the parties to such actions. Further, each Co-owner and every other person who from time to time has any interest in the Project shall be deemed to have authorized and empowered the Association to sell or to cause to be sold the Unit with respect to which the assessments is or are delinquent and to receive, hold and distribute the proceeds of such sale in accordance with the priorities established by applicable law. Each Co-owner of a Unit in the Project acknowledges that at the time of acquiring title to

such Unit, he was notified of the provisions of this subparagraph and that he voluntarily, intelligently and knowingly waived notice of any proceedings brought by the Association to foreclose by advertisement the lien for nonpayment of assessments and a hearing on the same prior to the sale of the subject Unit.

(c) Notice of Action. Notwithstanding the foregoing, neither a judicial foreclosure action nor a suit at law for a money judgment shall be commenced, nor shall any notice of foreclosure by advertisement be published, until the expiration of 10 days after mailing, by first class mail, postage prepaid, addressed to the delinquent Co-owner(s) at his or their last known address, of a written notice that one or more installments of the annual assessment levied against the pertinent Unit is or are delinquent and that the Association may invoke any of its remedies hereunder if the default is not cured within 10 days after the date of mailing. Such written notice shall be accompanied by a written affidavit of an authorized representative of the Association that sets forth the affiant's capacity to make the affidavit, (ii) the statutory and other authority for the lien, (iii) the amount outstanding (exclusive of interest, costs, attorney fees and future assessments), (iv) the legal description of the subject Unit(s), and (v) the name(s) of the Co-owner(s) of record. Such affidavit shall be recorded in the office of the Register of Deeds in the county in which the Project is located prior to commencement of any foreclosure proceeding, but it need not have been recorded as of the date of mailing as aforesaid. If the delinquency is not cured within the 10-day period, the Association may take such remedial action as may be available to it hereunder or under Michigan law. In the event the Association elects to foreclose the lien by advertisement, the Association shall so notify the delinquent Co-owner and shall inform him that he may request a judicial hearing by bringing suit against the Association.

(d) Expenses of Collection. The expenses incurred in collecting unpaid assessments, including late charges, interest, fines, costs, actual attorneys' fees (not limited to statutory fees) advances for taxes or other liens paid by the Association to protect its lien and other costs, shall be chargeable to the Co-owner in default and shall be secured by the lien on his Unit.

Section 6. Liability of Mortgagee. Notwithstanding any other provisions of the Condominium Documents, the holder of any first mortgage covering any Unit in the Project which comes into possession of the Unit pursuant to the remedies provided in the mortgage or by deed (or assignment) in lieu of foreclosure, or any purchaser at a foreclosure sale, shall take the property free of any claims for unpaid assessments or charges against the mortgaged Unit which accrue prior to the time such holder acquires title to the Unit.

Section 7. Property Taxes and Special Assessments. All property taxes and special assessments levied by any public taxing authority shall be assessed in accordance with Section 131 of the Act.

Section 8. Personal Property Tax Assessment of Association Property. The Association shall be assessed as the person or entity in possession of any tangible personal property of the Condominium owned or possessed in common by the Co-owners, and personal property taxes based thereon shall be treated as expenses of administration.

Section 9. Construction Lien. A construction lien otherwise arising under Act No. 497 of the Michigan Public Acts of 1980, as amended, shall be subject to Section 132 of the Act.

Section 10. Statement as to Unpaid Assessments. The purchaser of any Unit may request a statement of the Association as to the amount of any unpaid Association assessments thereon, whether regular or special. Upon written request to the Association accompanied by a copy of the executed purchase agreement pursuant to which the purchaser holds the right to acquire a Unit, the Association shall provide a written statement of such unpaid assessments, interest, late charges, fines, costs and other fees as may exist or a statement that none exist, which statement shall be binding upon the Association for the period stated therein. Upon the payment of that sum within the period stated, the Association's lien for assessments as to such Unit shall be deemed satisfied; provided, however, that the failure of a purchaser to request such statement at least 5 days prior to the closing of the purchase of such Unit shall render any unpaid assessments against the Condominium Unit together with interest, costs, fines, late charges and attorneys' fees, and the lien securing same fully enforceable against such purchaser and the Unit itself, to the extent provided by the Act. Under the Act, unpaid assessments constitute a lien upon the Unit and the proceeds of sale thereof prior to all claims except real property taxes and first mortgages of record.

ARTICLE III

ARBITRATION

Section 1. Scope and Election. Disputes, claims, or grievances arising out of or relating to the interpretation or the application of the Condominium Documents, or any disputes, claims or grievances arising among or between the Co-owners and the Association, upon the election and written consent of the parties to any such disputes, claims or grievances (which consent shall include an agreement of the parties that the judgment of any circuit court of the State of Michigan may be rendered upon any award pursuant to such arbitration), and upon written notice to the Association, shall be submitted to arbitration and the parties thereto shall accept the arbitrator's decision as final and binding, provided that no question affecting the claim of title of any person to any fee or life estate in real estate is involved. The Commercial Arbitration Rules of the American Arbitration Association as amended and in effect from time to time hereafter shall be applicable to any such arbitration.

Section 2. Judicial Relief. In the absence of the election and written consent of the parties pursuant to Section I above, no Co-owner or the Association shall be precluded from petitioning the courts to resolve any such disputes, claims or grievances.

Section 3. Election of Remedies. Such election and written consent by Co-owners or the Association to submit any such dispute, claim or grievance to arbitration shall preclude such parties from litigating such dispute, claim or grievance in the courts.

ARTICLE IV

INSURANCE

Section 1. Extent of Coverage. The Association shall carry fire and extended coverage, vandalism and malicious mischief and liability insurance (in a minimum amount to be determined by the Board of Directors in its discretion, but in no event less than \$1,000,000 per occurrence, which minimum shall be increased from time to time to an amount that is standard for other similar residential developments in Wayne County, Michigan), and workmen's compensation insurance, if applicable, pertinent to the ownership, use and maintenance of the Common Elements, the bike path, and certain other portions of the Condominium Project, as set forth below and such insurance, other than title insurance, shall be carried and administered in accordance with the following provisions:

(a) Responsibilities of Co-owners and Association. All such insurance shall be purchased by the Association for the benefit of the Association, and the Co-owners and their mortgagees, as their interests may appear, and provision shall be made for the issuance of certificates of mortgagee endorsements to the mortgagees of Co-owners. Each Co-owner may obtain insurance coverage at his own expense upon his Unit. It shall be each Co-owner's responsibility to determine by personal investigation or from his own insurance advisors the nature and extent of insurance coverage adequate to his needs and thereafter to obtain insurance coverage for his personal property located within his Unit or elsewhere on the Condominium and for his personal liability for occurrences within his Unit or upon Limited Common Elements appurtenant to his Unit, for improvements to his Unit or Limited Common Elements appurtenant to his Unit, and also for alternative living expense in the event of fire or other catastrophe, and the Association shall have absolutely no responsibility for obtaining such coverages. The Association, as to all policies which it obtains, and all Co-owners, as to all policies which they obtain, shall use their best efforts to see that all property and liability insurance carried by the Association or any Co-owner shall contain appropriate provisions whereby the insurer waives its right of subrogation as to any claims against any Co-owner or the Association.

(b) Insurance of Common Elements and Fixtures. All common Elements of the Condominium Project shall be insured against fire and other perils covered by a standard extended coverage endorsement, in an amount equal to the current insurable replacement

value, excluding foundation, sewers, roads and excavation costs, as determined annually by the Board of Directors of the Association in consultation with the Association's insurance carrier and/or its representatives in light of commonly employed methods for the reasonable determination of replacement costs. Such coverage shall be effected upon an agreed-amount basis for the entire Condominium Project with appropriate inflation riders in order that no co-insurance provisions shall be invoked by the insurance carrier in a manner that will cause loss payments to be reduced below the actual amount of any loss (except in the unlikely event of total project destruction if the insurance proceeds failed, for some reason, to be equal to the total cost of replacement). Upon such annual re-evaluation and effectuation of coverage, the Association shall notify all Co-owners of the nature and extent of all changes in coverages. Such coverage shall also include unpainted surface of interior walls within any Unit and the pipes, wire, conduits and ducts contained therein and shall further include all fixtures and equipment within a Unit which were furnished with the Unit as standard items in accord with the plans and specifications thereof as are on file with the Association (or such replacements thereof as do not exceed the cost of such standard items). It shall be each Co-owner's responsibility to determine the necessity for and to obtain insurance coverage for all fixtures, equipment, trim and other items or attachments within the Unit or any Limited Common Elements appurtenant thereto which were installed in addition to said standard items (or as replacements for such standard items to the extent that replacement cost exceeded the original cost of such standard items) whether installed originally by the Developer or subsequently by the Co-owner, and the Association shall have no responsibility whatsoever for obtaining such coverage unless agreed specifically and separately between the Association and the Co-owner in writing.

(c) Premium Expenses. All premiums upon insurance purchased by the Association pursuant to these Bylaws shall be expenses of administration.

(d) Proceeds of Insurance Policies. Proceeds of all insurance policies owned by the Association shall be received by the Association, held in a separate bank account and distributed to the Association, and the Co-owners and their mortgagees, as their interests may appear; provided, however, whenever repair or reconstruction of the Condominium shall be required as provided in Article V of these Bylaws, the proceeds of any insurance received by the Association as a result of any loss requiring repair or reconstruction shall be applied for such repair or reconstruction.

(e) Deductible. When a claim is made on any of the insurance policies maintained by the Association which is subject to a deductible amount, the deductible amount shall be paid by the Co-owner of the damaged Unit or appurtenant Limited Common Element sustaining the damage or, in the event more than one Unit is involved, then the deductible shall be equally shared by the Owners of such Units. In the case of damage to a General Common Element, the deductible shall be paid by the Association.

Section 2. Authority of Association to Settle Insurance Claims. Each Co-owner, by ownership of a Unit in the Condominium Project, shall be deemed to appoint the

Association as his true and lawful attorney-in-fact to act in connection with all matters concerning the maintenance of fire and extended coverage, vandalism and malicious mischief, liability insurance and workmen's compensation insurance, if applicable, pertinent to the Condominium Project, his Unit and the Common Elements appurtenant thereto, with such insurer as may, from time to time, provide such insurance for the Condominium Project. Without limitation on the generality of the foregoing, the Association as said attorney shall have full power and authority to purchase and maintain such insurance, to collect and remit premiums therefor, to collect proceeds and to distribute the same to the Association, the Co-owners and respective mortgagees, as their interests may appear (subject always to the Condominium Documents), to execute releases of liability and to execute all documents and to do all things on behalf of such Co-owner and the Condominium as shall be necessary or convenient to the accomplishment of the foregoing.

ARTICLE V

RECONSTRUCTION OR REPAIR

Section 1. Determination to Reconstruct or Repair. If any part of the Condominium Premises shall be damaged, the determination of whether or not it shall be reconstructed or repaired shall be made in the following manner:

(a) Partial Damage. If the damaged property is a Common Element or a Unit, the property shall be rebuilt or repaired if any Unit in the Condominium is tenantable, unless it is determined by a unanimous vote of 80% of the Co-owners in number and in value in the Condominium that the Condominium shall be terminated.

(b) Total Destruction. If the Condominium is so damaged that no Unit is tenantable, the damaged property shall not be rebuilt unless 80% or more of the Co-owners agree to reconstruction by vote or in writing within 90 days after the destruction.

Section 2. Repair in Accordance with Plans and Specifications. Any such reconstruction or repair shall be substantially in accordance with the Consolidating Master Deed and the plans and specifications for the Project to a condition as comparable as possible to the condition existing prior to damage unless the Co-owners shall unanimously decide otherwise.

Section 3. Co-owner Responsibility for Repair.

(a) Definition of Co-owner Responsibility. If the damage is only to a part of the contents of a Unit which are the responsibility of a Co-owner to maintain, repair and replace, it shall be the responsibility of the Co-owner to maintain, repair and replace such damage in accordance with subsection (b) hereof. In all other cases, the responsibility for maintenance, repair and replacement shall be that of the Association.

(b) Damage to Unit. Each Co-owner shall be responsible for the maintenance, repair and replacement of the contents of his Unit, including, but not limited to, floor coverings, wall coverings, window shades, draperies, interior walls (but not any Common Elements therein), interior trim, furniture, light fixtures and all appliances, whether free-standing or built-in. In the event damage to interior walls within a Co-owner's Unit, or to pipes, wires, conduits, ducts or other Common Elements therein, or to any fixtures and equipment which are standard items within a Unit is covered by insurance held by the Association, then the replacement or repair shall be the responsibility of the Association in accordance with Section 4 of this Article V subject, however, to the Co-owner's obligation to pay any insurance deductible amount as required by Article IV, Section 3(e) above; provided, however, any and all insurance deductible amount shall be paid by the Co-owner of the Unit and/or appurtenant Limited Common Element sustaining the damage. If any other items located within a Unit are covered by insurance held by the Association for the benefit of the Co-owner, the Co-owner shall be entitled to receive the proceeds of insurance relative thereto, and if there is a mortgagee endorsement, the proceeds shall be payable to the Co-owner and the mortgagee jointly. In the event of substantial damage to or destruction of any Unit or any part of the Common Elements, the Association promptly shall so notify each institutional holder of a first mortgage lien on any of the Units in the Condominium.

Section 4. Association Responsibility for Repair. Except as otherwise provided in the Consolidating Master Deed and in Section 3 hereof, the Association shall be responsible for the reconstruction, repair and maintenance of the Common Elements. Immediately after a casualty causing damage to property for which the Association has the responsibility of maintenance, repair and reconstruction, the Association shall obtain reliable and detailed estimates of the cost to replace the damaged property in a condition as good as that existing before the damage. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction or repair required to be performed by the Association, or if at any time during such reconstruction or repair, or upon completion of such reconstruction or repair, the funds for the payment of the cost thereof are insufficient, assessment shall be made against all Co-owners for the cost of reconstruction or repair of the damaged property in sufficient amounts to provide funds to pay the estimated or actual cost of repair. This provision shall not be construed to require replacement of mature trees and vegetation with equivalent trees or vegetation.

Section 5. Timely Reconstruction and Repair. If damage to Common Elements or a Unit adversely affects the appearance of the Project, the Association or Co-owner responsible for the reconstruction, repair and maintenance thereof shall proceed with replacement of the damaged property without delay, and shall complete such replacement within a reasonable time thereafter using its or his best efforts, after the date of the occurrence which caused damage to the property.

Section 6. Eminent Domain. Section 133 of the Act and the following provisions shall control upon any taking by eminent domain:

(a) Taking of Unit. In the event of any taking of an entire Unit by eminent domain, the award for such taking shall be paid to the Co-owner of such Unit and the mortgagee thereof, as their interests may appear. After acceptance of such award by the Co-owner and his mortgagee, they shall be divested of all interest in the Condominium Project. In the event that any condemnation award shall become payable to any Co-owner whose Unit is not wholly taken by eminent domain, then such award shall be paid by the condemning authority to the Co-owner and his mortgagee, as their interests may appear.

(b) Taking of Common Elements. If there is any taking of any portion of the Condominium other than any Unit, the condemnation proceeds relative to such taking shall be paid to the Co-owners and their mortgagees in proportion to their respective interests in the Common Elements and the affirmative vote of more than 50% of the Co-owners shall determine whether to rebuild, repair or replace the portion so taken or to take such other action as they deem appropriate.

(c) Continuation of Condominium After Taking. In the event the Condominium Project continues after taking by eminent domain, then the remaining portion of the Condominium Project shall be re-surveyed and the Consolidating Master Deed amended accordingly, and, if any Unit shall have been taken, then Article V of the Consolidating Master Deed shall also be amended to reflect such taking and to proportionately readjust the percentages of value of the remaining Co-owners based upon the continuing value of the Condominium of 100%. Such amendment may be effected by an officer of the Association duly authorized by the Board of Directors without the necessity of execution or specific approval thereof by any Co-owner. Costs incurred to accomplish matters required by this subsection shall be borne by the Association.

(d) Notification of Mortgagees. In the event any Unit in the Condominium, or any portion thereof, or the Common Elements or any portion thereof, is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Association promptly shall so notify each institutional holder of a first mortgage lien on any of the Units in the Condominium.

Section 7. Notification of FHLMC and FNMA. In the event any mortgage in the Condominium is held by the Federal Home Loan Mortgage Corporation ("FHLMC") or the Federal National Mortgage Association ("FNMA") then, upon request therefor by FHLMC or FNMA, the Association shall give it written notice at such address as it may, from time to time, direct of any loss to or taking of the Common Elements of the Condominium if the loss or taking exceeds \$10,000 in amount or damage to a Condominium Unit covered by a mortgage purchased in whole or in part by FHLMC or FNMA exceeds \$1,000.

Section 8. Priority of Mortgagee interests. Nothing contained in the Condominium Documents shall be construed to give a Condominium Unit Owner, or any other party, priority over any rights of first mortgagees of Condominium Units pursuant to their mortgages in the case of a distribution to Condominium Unit Owners of insurance proceeds

or condemnation awards for losses to or a taking of Condominium Units and/or Common Elements.

ARTICLE VI

RESTRICTIONS

All of the Units in the Condominium shall be held, used and enjoyed subject to the following limitations and restrictions:

Section 1. Residential Use. No Unit in the Condominium shall be used for other than single-family residence purposes and the Common Elements shall be used only for purposes consistent with the use of single-family residences.

Section 2. Leasing and Rental.

(a) Right to Lease. A Co-owner may lease his Unit for the same purposes set forth in Section 1 of this Article VI; provided that written disclosure of such lease transaction is submitted to the Board of Directors of the Association in the manner specified in subsection (b) below. With the exception of a lender in possession of a Unit following a default of a first mortgage, foreclosure or deed or other arrangement in lieu of foreclosure, no Co-owner shall lease less than an entire Unit in the Condominium and no tenant shall be permitted to occupy except under a lease the initial term of which is at least 6 months unless specifically approved in writing by the Association. The terms of all leases, occupancy agreements and occupancy arrangements shall incorporate, or be deemed to incorporate, all of the provisions of the Condominium Documents.

(b) Leasing Procedures. The leasing of Units in the Project shall conform to the following provisions:

(1) A Co-owner, desiring to rent or lease a Unit, shall disclose that fact in writing to the Association at least 10 days before presenting a lease or otherwise agreeing to grant possession of a Condominium Unit to potential lessees and at the same time, shall supply the Association with a copy of the exact lease for its review for its compliance with the Condominium Documents. The Co-owner shall also provide the Association of Co-owners with a copy of the executed lease. If no lease is to be used, then the Co-owner shall supply the Association with the name and address of the lessees or occupants, along with the rental amount and due dates of any rental or compensation payable to a Co-owner, the due dates of that rental and compensation, and the term of the proposed arrangement.

(2) Tenants or non-owner occupants shall comply with all of the conditions of the Condominium Documents of the Condominium Project and all leases and rental agreements shall so state.

(3) If the Association determines that the tenant or non-owner occupant has failed to comply with the conditions of the Condominium Documents, the Association shall take the following action:

(i) The Association shall notify the Co-owner by certified mail advising of the alleged violation by the tenant.

(ii) The Co-owner shall have 15 days after receipt of such notice to investigate and correct the alleged breach by the tenant or advise the Association that a violation has not occurred.

(iii) If after 15 days the Association believes that the alleged breach is not cured or may be repeated, it may institute on its behalf, an action for eviction against the tenant or non-owner occupant and simultaneously for money damages in the same action against the Co-owner and tenant or non-owner occupant for breach of the conditions of the Condominium Documents. The relief provided for in this subparagraph may be by summary proceeding. The Association may hold both the tenant and the Co-owner liable for any damages to the Common Elements caused by the Co-owner or tenant in connection with the Unit or Condominium Project.

(4) When a Co-owner is in arrears to the Association for assessments, the Association may give written notice of the arrearage to a tenant occupying a Co-owner's Unit under a lease or rental agreement and the tenant, after receiving the notice, shall deduct from rental payments due the Co-owner the arrearage and future assessments as they fall due and pay them to the Association. The deductions do not constitute a breach of the rental agreement or lease by the tenant. If the tenant, after being notified, fails or refuses to remit rent otherwise due the Co-owner to the Association, then the Association may do the following:

(a) Issue a statutory notice to quit for non-payment of rent to the tenant and shall have the right to enforce that notice by summary proceeding.

(b) Initiate proceedings pursuant to subsection (3) (iii).

Section 3. Alterations and Modifications. No Co-owner shall make alterations in exterior appearance or make structural modifications to his Unit (including interior walls through or in which there exist easements for support or utilities) or make changes in any of the Common Elements, Limited or General, without the express written approval of the Board of Directors, including, without limitation, exterior painting or the erection of antennas, satellite dishes, lights, aerials, flags, awnings, doors, shutters, newspaper holders, mailboxes, basketball backboards or other exterior attachments or modifications. No drilling of holes in any Common Element walls shall be permitted. Notwithstanding the foregoing limitations, the following types of antenna may be installed subject to reasonable

conditions that may provide for, among other things, restricting their placement to within the Limited Common Element assigned to the Unit and prohibiting the drilling of holes in any exterior wall, roof, window or railing, in a Unit or on a Limited Common Element that the Co-owner has direct or indirect ownership and exclusive use or control: disk antennas one meter or less in diameter and traditional stick-type antenna. No Co-owner shall in any way restrict access to any plumbing, water line, water line valves, water meter, sprinkler system valves or any other element that must be accessible to service the Common Elements or any element which affects an Association responsibility in any way. It shall be permissible for Co-owners to cause to be installed television antennas in the attic areas above Units; providing, however, that any damage or expense to the Common Elements or to the Association resulting from such installation shall be borne by the Co-owner performing or authorizing such installation. Should access to any facilities of any sort be required, the Association may remove any coverings or attachments of any nature that restrict such access and will have no responsibility for repairing, replacing or reinstalling any materials, whether or not installation thereof has been approved hereunder, that are damaged in the course of gaining such access, nor shall the Association be responsible for monetary damages of any sort arising out of actions taken to gain necessary access. Additionally, the installation of nets designed to catch errant golf balls shall not be permitted and this restriction shall not be either modified or eliminated without the prior approval of the Township of Northville.

Section 4. Activities. No unlawful or offensive activity shall be carried on in any Unit or upon the Common Elements, Limited or General, nor shall anything be done which may be or become an annoyance or a nuisance to the Co-owners of the Condominium. No unreasonably noisy activity shall occur in or on the Common Elements or in any Unit at any time and disputes among Co-owners, arising as a result of this provision which cannot be amicably resolved, shall be arbitrated by the Association. No stereo speakers are to be affixed or placed adjacent to common walls. No Co-owner shall do or permit anything to be done or keep or permit to be kept in his Unit or on the Common Elements anything that will increase the rate of insurance on the Condominium without the written approval of the Association, and each Co-owner shall pay to the Association the increased cost of insurance premiums resulting from any such activity or the maintenance of any such condition even if approved. Activities which are deemed offensive and are expressly prohibited include, but are not limited to, the following: Any activity involving the use of firearms, air rifles, pellet guns, B-B guns, bows and arrows, or other similar dangerous weapons, projectiles or devices.

Section 5. Pets. Except as hereafter provided, no animals shall be maintained by any Co-owner unless specifically approved in writing by the Association. The Developer was entitled to make an exception to the foregoing limitation for an owner or occupant who owned a cat, or who owned a dog, at the time of taking occupancy after the initial purchase of a Unit from the Developer. When such cat or dog dies or is otherwise disposed of, it may not be replaced without the prior written consent of the Association. No animal may be kept or bred for any commercial purpose and shall have such care and restraint so as not to be obnoxious or offensive on account of noise, odor or unsanitary conditions. No

animal may be permitted to run loose at any time upon the Common Elements and any animal shall at all times be leashed and attended by some responsible person while on the Common Elements, Limited or General. No savage or dangerous animal shall be kept and any Co-owner who causes any animal to be brought or kept upon the premises of the Condominium shall indemnify and hold harmless the Association for any loss, damage or liability which the Association may sustain as the result of the presence of such animal on the premises, whether or not the Association has given its permission therefor. Each Co-owner shall be responsible for collection and disposition of all fecal matter deposited by any pet maintained by such Co-owner. No pet shall be permitted to be tethered on the Common Elements. No dog which barks and can be heard on any frequent or continuing basis shall be kept in any Unit or on the Common Elements. The Association may charge all Co-owners maintaining animals a reasonable additional assessment to be collected in the manner provided in Article II of these Bylaws in the event that the Association determines such assessment necessary to defray the maintenance cost to the Association of accommodating animals within the Condominium. The Association may, without liability to the owner thereof, remove or cause to be removed any animal from the Condominium which it determines to be in violation of the restrictions imposed by this Section. The Association shall have the right to require that any pets be registered with it and may adopt such additional reasonable rules and regulations with respect to animals as it may deem proper. In the event of any violation of this Section, the Board of Directors of the Association may assess fines for such violation in accordance with these Bylaws and in accordance with duly adopted rules and regulations.

Section 6. Aesthetics. The Common Elements, Limited or General, shall not be used for storage of supplies, materials, personal property or trash or refuse of any kind, except as provided in duly adopted rules and regulations of the Association. Garage doors shall be kept closed at all times except as may be reasonably necessary to gain access to or from any garage. No unsightly condition shall be maintained on any patio, porch or deck and only furniture and equipment consistent with the normal and reasonable use of such areas shall be permitted to remain there during seasons when such areas are reasonably in use and no furniture or equipment of any kind shall be stored thereon during seasons when such areas are not reasonably in use. Trash receptacles shall be maintained in areas designated therefor at all times and shall not be permitted to remain elsewhere on the Common Elements except for such short periods of time as may be reasonably necessary to permit periodic collection of trash. The Common Elements shall not be used in any way for the drying, shaking or airing of clothing or other fabrics. All portions of window treatments, including, but not limited to, curtains, drapes, blinds and shades, visible from the exterior of any Unit shall be made of or lined with material which is white or off-white in color. Reflective or colored film on windows is prohibited except as provided in duly adopted rules and regulations of the Association. In general, no activity shall be carried on nor condition maintained by a Co-owner, either in his Unit or upon the Common Elements, which is detrimental to the appearance of the Condominium.

Notwithstanding anything herein to the contrary, each Co-owner may store personal property owned by that Co-owner or those residing with that Co-owner in the Limited

Common Element parking spaces in each garage appurtenant to that Co-owner's Unit, provided that (i) storage of any items of personalty for commercial or industrial purposes or business uses is prohibited; (ii) storage of any item of personalty which would violate any building, health, safety or fire code or ordinance, or cause the insurance premiums for the Unit or the Condominium to increase is prohibited; and (iii) such storage shall remain subject to all other restrictions contained herein, including the garage door closure provision hereof. Washing of vehicles which are owned by a Co-owner or those residing with that Co-owner shall be permitted by these Bylaws in the Limited Common Element driveways of the Unit owned by that Co-owner, provided the Association shall have the right to establish reasonable rules and regulations for such washing, including the time and manner thereof.

Section 7. Vehicles. No house trailers, commercial vehicles, boat trailers, boats, personal water crafts, camping vehicles, camping trailers, motorcycles, all terrain vehicles, snowmobiles, snowmobile trailers or vehicles, other than automobiles or vehicles used primarily for general personal transportation use, may be parked or stored upon the premises of the Condominium, unless parked in the garage with the door closed. Commercial vehicles and trucks, which shall include without limitation pick-up trucks with snow blades affixed or with a company name on the outside of the truck, shall not be parked in or about the Condominium (except as above provided) unless while making deliveries or pickups in the normal course of business. Each Co-owner shall park his car in the garage space provided therefor and shall park any additional car which he owns in the Limited Common Element driveway immediately adjoining his garage space. Co-owners shall, if the Association shall require, register with the Association all cars maintained on the Condominium Premises. Use of motorized vehicles anywhere on the Condominium Premises other than street licensed vehicles on the roads and driveways is absolutely prohibited. Overnight parking on any street in the Condominium is prohibited except as the Association may make reasonable exceptions thereto from time to time. The Association shall have the right to place or cause to be placed adhesive windshield stickers on cars improperly parked and may also enable private towing of improperly parked vehicles to off-premises locations, all without any liability on the part of the Association to the owners or user of any such improperly parked vehicles.

Section 8. Advertising. No signs or other advertising devices, including without limitation balloons and banners, of any kind shall be displayed which are visible from the exterior of a Unit or on the Common Elements, including "For Sale" signs, without written permission from the Association.

Section 9. Rules and Regulations. It is intended that the Board of Directors of the Association may make rules and regulations from time to time to reflect the needs and desires of the majority of the Co-owners in the Condominium including, without limitation, architectural control policies. Reasonable regulations consistent with the Act, the Consolidating Master Deed and these Bylaws and other applicable laws concerning the

use of the Common Elements may be made and amended of the Association. Section 10. Right of Access of Association. The Association or its duly authorized agents shall have access to each Unit and any Limited Common Elements appurtenant thereto from time to time, during reasonable working hours, upon notice to the Co-owner thereof, as may be necessary for the maintenance, repair or replacement of any of the Common Elements. The Association or its agents shall also have access to each Unit and any Limited Common Elements appurtenant thereto at all times without notice as may be necessary to make emergency repairs to prevent damage to the Common Elements or to another Unit. It shall be the responsibility of each Co-owner to provide the Association means of access to his Unit and any Limited Common Elements appurtenant thereto during all periods of absence, and in the event of the failure of such Co-owner to provide means of access, the Association may gain access in such manner as may be reasonable under the circumstances and shall not be liable to such Co-owner for any necessary damage to his Unit and any Limited Common Elements appurtenant thereto caused thereby or for repair or replacement of any doors or windows damaged in gaining such access.

Section 11. Landscaping. No Co-owner shall perform any landscaping or plant any trees, shrubs or flowers or place any ornamental materials upon the Common Elements without the prior written approval of the Association and except as specified in the architectural control policies.

Section 12. Common Element Maintenance. Sidewalks, yards, landscaped areas, driveways, roads, and parking areas, shall not be obstructed nor shall they be used for purposes other than for which they are reasonably and obviously intended. No bicycles, vehicles, chairs or other obstructions may be left unattended on or about the Common Elements. Use of recreational facilities, if any, in the Condominium may be limited to such times and in such manner as the Association shall determine by duly adopted rules and regulations.

Section 13. Co-owner Maintenance. Each Co-owner shall maintain his Unit and any Limited Common Elements appurtenant thereto for which he has maintenance responsibility in a safe, clean and sanitary condition. Each Co-owner shall also use due care to avoid damaging any of the Common Elements including, but not limited to, the telephone, water, gas, plumbing, electrical or other utility conduits and systems and any other elements in any Unit which are appurtenant to or which may affect any other Unit. Each Co-owner shall be responsible for damages or costs to the Association resulting from negligent damage to or misuse of any of the Common Elements by him, or his family, guests, agents or invitees. To the extent any such damages or costs are covered by insurance carried by the Association, the responsible Co-owner shall bear the expense of

The Developer is obliged to maintain the sign throughout the life of the Project.

Approval by written ballot shall be constituted by receipt within the time period specified in the solicitation of (i) a number of ballots which equals or exceeds the quorum which would be required if the action were taken at a meeting; and (ii) a number of approvals which equals or exceeds the number of votes which would be required for approval if the action were taken at a meeting at which the total number of votes cast was the same as the total number of ballots cast.

Section 9. Consent of Absentees. Vacancies in the Board of Directors which occur after the Transitional Control Date caused by any reason other than the removal of a Director by a vote of the members of the Association shall be filled by vote of the majority of the remaining Directors, even though they may constitute less than a quorum. Each person so elected shall be a Director until a successor is elected at the next annual meeting of the Association.

Section 7. Removal. At any regular or special meeting of the Association duly called with due notice of the removal action proposed to be taken, any one or more of the Directors may be removed with or without cause by the affirmative vote of more than 50% in number and in value of all of the Co-owners and a successor may then and there be elected to fill any vacancy thus created. Section 9. Regular Meetings. Regular meetings of the Board of Directors may be held at such times and places as shall be determined from time to time by a majority of the Directors, but at least two such meetings shall be held during each fiscal year. Notice of regular meetings of the Board of Directors shall be given to each Director, personally, by mail, telephone or telegraph at least 10 days prior to the date named for such meeting.

Section 10. Special Meetings. Special meetings of the Board of Directors may be called by the President on 3 days' notice to each Director, given personally, by mail, telephone, facsimile, electronic mail, or telegraph, which notice shall state the time, place and purpose of the meeting. Section 11. Waiver of Notice. Before or at any meeting of the Board of Directors, any Director may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. The Covenants Committee shall have such additional duties, powers and authority as the Board of Directors may from time to time provide by resolution. The Board of Directors may relieve the Covenants Committee of any of its duties, powers and authority either generally or on a case-by-case basis. The Covenants Committee shall carry out its duties and exercise its powers and authority in the manner provided for in the rules and regulations or by resolution of the Board of Directors. The Covenants Committee shall act on all matters properly before it within forty-five days; failure to do so within the stipulated time shall constitute an automatic referral of such matters to the Board of Directors for consideration.

Any two offices except that of President and Vice President may be held by one person.

(a) President. The President shall be the chief executive officer of the Association. He shall preside at all meetings of the Association and of the Board of Directors. He shall have all of the general powers and duties which are usually vested in the office of the President of an association, including, but not limited to, the power to appoint committees from among the members of the Association from time to time as he may in his discretion deem appropriate to assist in the conduct of the affairs of the Association.

(b) Vice President. The Vice President shall take the place of the President and perform his duties whenever the President shall be absent or unable to act. If neither the President nor the Vice President is able to act, the Board of Directors shall appoint some other member of the Board to so do on an interim basis. The Vice President shall also perform such other duties as shall from time to time be imposed upon him by the Board of Directors.

(c) Secretary. The Secretary shall keep the minutes of all meetings of the Board of Directors and the minutes of all meetings of the members of the Association; he shall have charge of the corporate seal, if any, and of such books and papers as the Board of Directors may direct; and he shall, in general, perform all duties incident to the office of the Secretary.

(d) Treasurer. The Treasurer shall have responsibility for the Association funds and securities and shall be responsible for keeping full and accurate accounts of all receipts and disbursements in books belonging to the Association. He shall be responsible for the deposit of all monies and other valuable effects in the name and to the credit of the Association, and in such depositories as may, from time to time, be designated by the Board of Directors.

Section 2. Election. The officers of the Association shall be elected annually by the Board of Directors at the organizational meeting of each new Board and shall hold office at the pleasure of the Board.

Section 3. Removal. Upon affirmative vote of a majority of the members of the Board of Directors, any officer may be removed either with or without cause, and his successor elected at any regular meeting of the Board of Directors, or at any special meeting of the Board called for such purpose. No such removal action may be taken, however, unless the matter shall have been included in the notice of such meeting. The officer who is proposed to be removed shall be given an opportunity to be heard at the meeting.

Section 4. Duties. The officers shall have such other duties, powers and responsibilities as shall, from time to time, be authorized by the Board of Directors.

ARTICLE XII

SEAL

The Association may (but need not) have a seal. If the Board determines that the Association shall have a seal, then it shall have inscribed thereon the name of the Association, the words "corporate seal", and "Michigan".

ARTICLE XIII

FINANCE

Section 1. Records. The Association shall keep detailed books of account showing all expenditures and receipts of administration which shall specify the maintenance and repair expenses of the Common Elements and any other expenses incurred by or on behalf of the Association and the Co-owners. Such accounts and all other Association records shall be open for inspection by the Co-owners and their mortgagees during reasonable working hours. The Association shall prepare and distribute to each Co-owner at least once a year a financial statement, the contents of which shall be defined by the Association. The books of account shall be audited or reviewed at least annually by

qualified independent auditors; provided, however, that such auditors need not be certified public accountants nor does such audit need to be a certified audit. Any institutional holder of a first mortgage lien on any Unit in the Condominium shall be entitled to receive a copy of such annual audited financial statement within 90 days following the end of the Association's fiscal year upon request therefor. The costs of any such audit and any accounting expenses shall be expenses of administration.

Section 2. Fiscal Year. The fiscal year of the Association shall be an annual period commencing on such date as may be initially determined by the Directors. The commencement date of the fiscal year shall be subject to change by the Directors for accounting reasons or other good cause.

Section 3. Bank. Funds of the Association shall be initially deposited in such bank or savings association as may be designated by the Directors and shall be withdrawn only upon the check or order of such officers, employees or agents as are designated by resolution of the Board of Directors from time to time. The funds may be invested from time to time in accounts or deposit certificates of such bank or savings association as are insured by the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation and may also be invested in interest-bearing obligations of the United States Government.

ARTICLE XIV

INDEMNIFICATION OF OFFICERS AND DIRECTORS

Every Director and officer of the Association shall be indemnified by the Association against all expenses and liabilities, including actual and reasonable counsel fees and amounts paid in settlement, incurred by or imposed upon him in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, or investigative and whether formal or informal, to which he may be a party or in which he may become involved by reason of his being or having been a Director or officer of the Association, whether or not he is a Director or officer at the time such expenses are incurred, except as otherwise prohibited by law; provided that, in the event of any claim for reimbursement or indemnification hereunder based upon a settlement by the Director or officer seeking such reimbursement or indemnification, the indemnification herein shall apply only if the Board of Directors (with the Director seeking reimbursement abstaining) approves such settlement and reimbursement as being in the best interest of the Association. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such Director or officer may be entitled. At least ten days prior to payment of any indemnification which it has approved, the Board of Directors shall notify all Co-owners thereof. Further, the Board of Directors is authorized to carry officers' and directors' liability insurance covering acts of the officers and directors of the Association in such amounts as it shall deem appropriate.

ARTICLE XV

AMENDMENTS

Section 1. Proposal. Amendments to these Bylaws may be proposed by the Board of Directors of the Association acting upon the vote of the majority of the Directors or may be proposed by 1/3 or more in number of the Co-owners by instrument in writing signed by them.

Section 2. Meeting. Upon any such amendment being proposed, a meeting for consideration of the same shall be duly called in accordance with the provisions of these Bylaws.

Section 3. Voting. These Bylaws may be amended by the Co-owners at any regular annual meeting or a special meeting called for such purpose by an affirmative vote of not less than 66-2/3% of all Co-owners. No consent of mortgagees shall be required to amend these Bylaws except as otherwise provided in Section 90(a) of the Act.

Section 4. When Effective. Any amendment to these Bylaws shall become effective upon recording of such amendment in the office of the Wayne County Register of Deeds.

Section 5. Binding. A copy of each amendment to the Bylaws shall be furnished to every member of the Association after adoption; provided, however, that any amendment to these Bylaws that is adopted in accordance with this Article shall be binding upon all persons who have an interest in the Project irrespective of whether such persons actually receive a copy of the amendment.

ARTICLE XVI

RIGHTS RESERVED TO DEVELOPER

Any or all of the rights and powers granted or reserved to the Developer in the Condominium Documents or by law, including the right and power to approve or disapprove any act, use, or proposed action or any other matter or thing, may be assigned by it to any other entity or to the Association. Any such assignment or transfer shall be made by appropriate instrument in writing in which the assignee or transferee shall join for the purpose of evidencing its consent to the acceptance of such powers and rights and such assignee or transferee shall thereupon have the same rights and powers as herein given and reserved to the Developer. Any rights and powers reserved or retained by Developer or its successors shall expire and terminate, if not sooner assigned to the Association, at the conclusion of the Construction and Sales Period as defined in Article III of the Master Deed. The immediately preceding sentence dealing with the expiration and termination of certain rights and powers granted or reserved to the Developer is intended to apply, insofar as the Developer is concerned, only to Developer's rights to

approve and control the administration of the Condominium and shall not, under any circumstances, be construed to apply to or cause the termination and expiration of any real property rights granted or reserved to the Developer or its successors and assigns in the Master Deed or elsewhere (including, but not limited to, access easements, utility easements and all other easements created and reserved in such documents which shall not be terminable in any manner hereunder and which shall be governed only in accordance with the terms of their creation or reservation and not hereby).

ARTICLE XVII

COMPLIANCE

The Association of Co-owners and all present or future Co-owners, tenants, future tenants, or any other persons acquiring an interest in or using the facilities of the Project in any manner are subject to and shall comply with the Act, as amended, and the mere acquisition occupancy or rental of any Unit or an interest therein or the utilization of or entry upon the Condominium Premises shall signify that the Condominium Documents are accepted and ratified. In the event the Condominium Documents conflict with the provisions of the Act, the Act shall govern.

ARTICLE XVIII

DEFINITIONS

All terms used herein shall have the same meaning as set forth in the Consolidating Master Deed to which these Bylaws are attached as an Exhibit or as set forth in the Act.

ARTICLE XIX

REMEDIES FOR DEFAULT

Any default by a Co-owner shall entitle the Association or another Co-owner or Co-owners to the following relief:

Section 1. Legal Action. Failure to comply with any of the terms or provisions of the Condominium Documents shall be grounds for relief, which may include, without intending to limit the same, an action to recover sums due for damages, injunctive relief, foreclosure of lien (if default in payment of assessment) or any combination thereof, and such relief may be sought by the Association or, if appropriate, by an aggrieved Co-owner or Co-owners.

Section 2. Recovery of Costs. In any proceeding arising because of an alleged default by any Co-owner, the Association, if successful, shall be entitled to recover the

costs of the proceeding and such reasonable attorneys' fees (not limited to statutory fees) as may be determined by the court, but in no event shall any Co-owner be entitled to recover such attorneys' fees.

Section 3. Removal and Abatement. The violation of any of the provisions of the Condominium Documents shall also give the Association or its duly authorized agents the right, in addition to the rights set forth above, to enter upon the Common Elements, Limited or General, or into any Unit, where reasonably necessary, and summarily remove and abate, at the expense of the Co-owner in violation, any structure, thing or condition existing or maintained contrary to the provisions of the Condominium Documents. The Association shall have no liability to any Co-owner arising out of the exercise of its removal and abatement power authorized herein.

Section 4. Assessment of Fines. The violation of any of the provisions of the Condominium Documents by any Co-owner shall be grounds for assessment by the Association, acting through its duly constituted Board of Directors, of monetary fines for such violations in accordance with Article XX of these Bylaws.

Section 5. Non-waiver of Right. The failure of the Association or of any Co-owner to enforce any right, provision, covenant or condition which may be granted by the Condominium Documents shall not constitute a waiver of the right of the Association or of any such Co-owner to enforce such right, provision, covenant or condition in the future.

Section 6. Cumulative Rights, Remedies and Privileges. All rights, remedies and privileges granted to the Association or any Co-owner or Co-owners pursuant to any terms, provisions, covenants or conditions of the aforesaid Condominium Documents shall be deemed to be cumulative and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges as may be available to such party at law or in equity.

Section 7. Enforcement of Provisions of Condominium Documents. A Co-owner may maintain an action against the Association and its officers and Directors to compel such persons to enforce the terms and provisions of the Condominium Documents. In such a proceeding, the Association, if successful, shall recover the cost of the proceeding and reasonable attorneys' fees, as determined by the court. A Co-owner may maintain an action against any other Co-owner for injunctive relief or for damages or any combination thereof for noncompliance with the terms and provisions of the Condominium Documents or the Act.

ARTICLE XX

ASSESSMENT OF FINES

Section 1. General. The violation by any Co-owner, occupant or guest of any of the provisions of the Condominium Documents including any duly adopted Rules and Regulations shall be grounds for assessment by the Association, acting through its duly constituted Board of Directors, of monetary fines against the involved Co-owner. Such Co-owner shall be deemed responsible for such violations whether they occur as a result of his personal actions or the actions of his family, guests, tenants or any other person admitted through such Co-owner to the Condominium Premises.

Section 2. Procedures. Upon any such violation being alleged by the Board, the following procedures will be followed:

(a) Notice. Notice of the violation, including the Condominium Document provision violated, together with a description of the factual nature of the alleged offense set forth with such reasonable specificity as will place the Co-owner on notice as to the violation, shall be sent by first class mail, postage prepaid, or personally delivered to the representative of said Co-owner at the address as shown in the Notice required to be filed with the Association pursuant to Article VIII, Section 3 of the Bylaws.

(b) Opportunity to Defend. The offending Co-owner shall have an opportunity to appear before the Board and offer evidence in defense of the alleged violation. The appearance before the Board shall be at its next scheduled meeting, but in no event shall the Co-owner be required to appear less than 10 days from the date of the Notice. The offending Co-owner may, at his option, elect to forego the appearance as provided herein by delivery of a written response to the Board.

(c) Default. Failure to respond to the Notice of Violation constitutes a default.

(d) Hearing and Decision. Upon appearance by the Co-owner before the Board and presentation of evidence of defense, or, in the event of the Co-owner's default, the Board shall, by majority vote of a quorum of the Board, decide whether a violation has occurred. The Board's decision is final.

Section 3. Amounts. Upon violation of any of the provisions of the Condominium Documents and after default of the offending Co-owner or upon the decision of the Board as recited above, the following fines shall be levied:

(a) First Violation. No fine shall be levied.

(b) Second Violation. Fifty Dollars (\$50.00) fine.

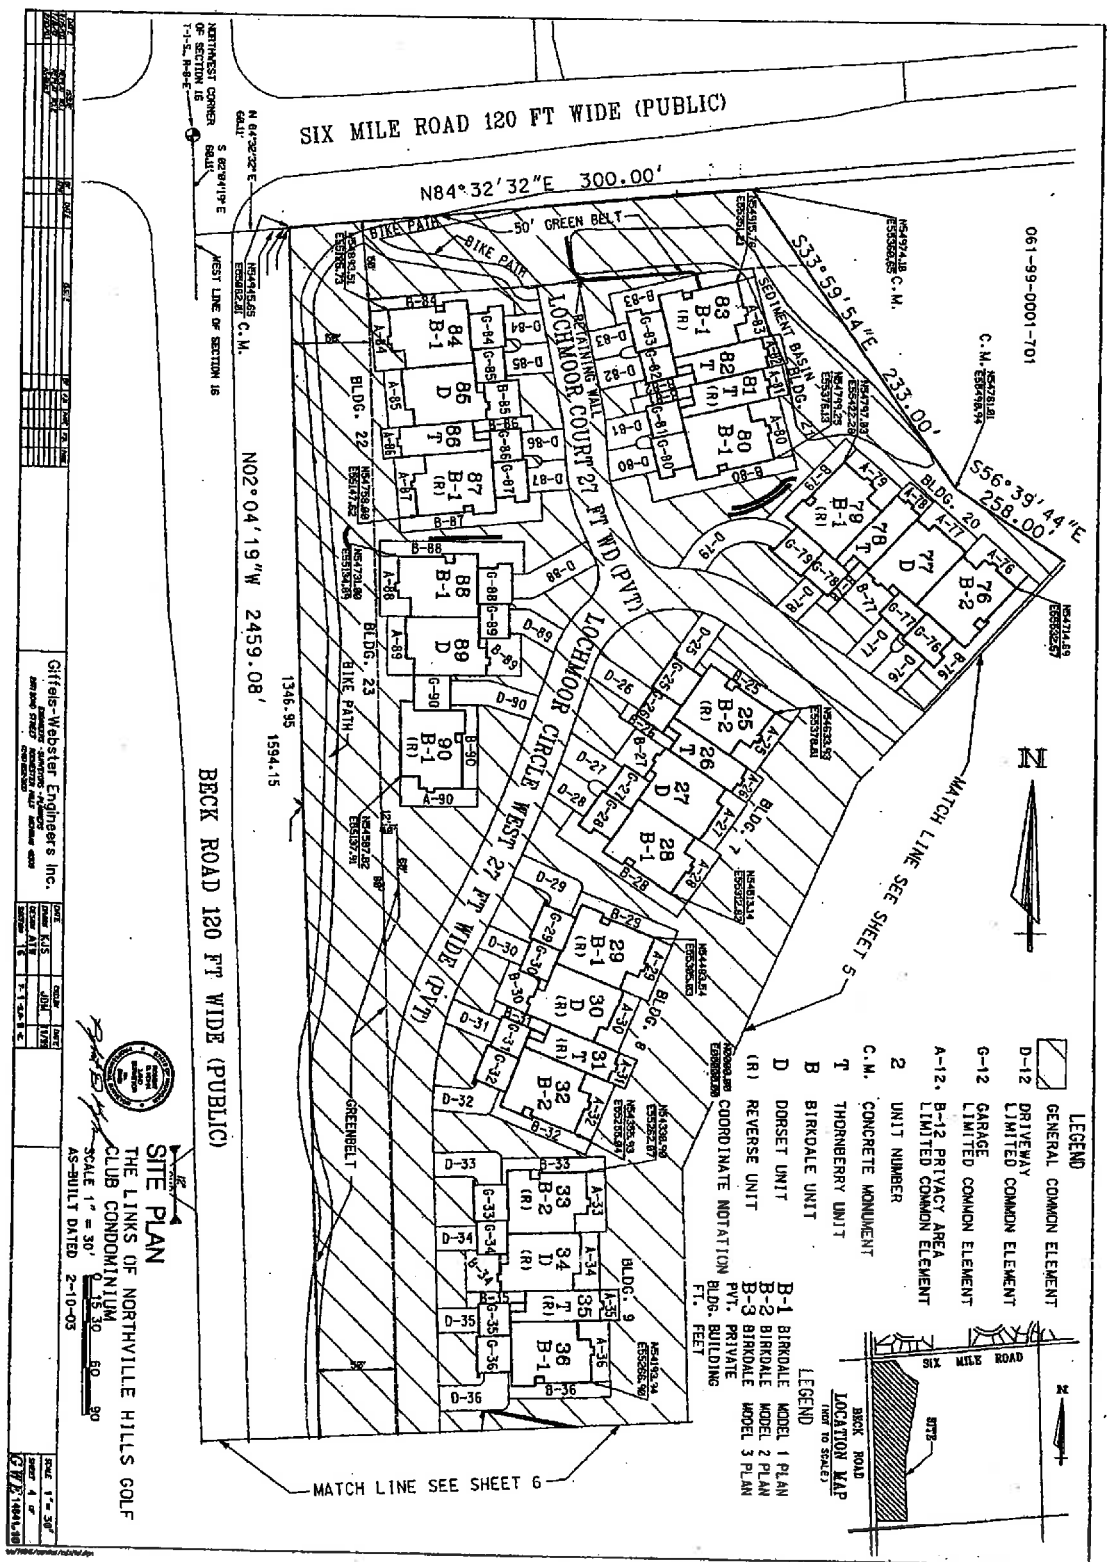

- (c) Third Violation. One Hundred Dollars (\$100.00) fine.
- (d) Fourth Violation and Subsequent Violations. One Hundred Fifty Dollars (\$150.00) fine.

Section 4. Collection. The fines levied pursuant to Section 3 above shall be assessed against the Co-owner and shall be due and payable together with the regular Condominium assessment on the first of the next following month. Failure to pay the fine will subject the Co-owner to all liabilities set forth in the Condominium Documents including, without limitation, those described in Article II and Article XIX of the Bylaws.

ARTICLE XXI

SEVERABILITY

In the event that any of the terms, provisions or covenants of these Bylaws or the Condominium Documents are held to be partially or wholly invalid or unenforceable for any reason whatsoever, such holding shall not affect, alter, modify or impair in any manner whatsoever any of the other terms, provisions or covenants of such documents or the remaining portions of any terms, provisions or covenants held to be partially invalid or unenforceable.
